Service Rates

Citizens highly value open competition for the privilege of serving their garbage collection needs. Freedom of choice and having the ability to switch service providers without government regulation are very important to residents.

Since 1955 we have been giving personalized service to individual homeowners based on their requests and demands. We have found customers make their buying decision on more than just price including type of company, company operations and personalized service. Our service is not a utility. Everyday, we work on the value proposition with our customers, trying to give them the personal service they demand at the best possible price.

Consequently in your community our fees are various and subject to customer demands and the competitive marketplace. Rates quoted for license purposes are available to residents but do not necessarily reflect the actual rates charged in the community due to the personalized nature of the service we provide. As with any business, the range of rates we provide have both a cap and a floor.

We work hard in every community we serve to educate our competition's customers through introductory rates and special offers in an effort to convert them to ACE. We then work equally hard to show them the ACE difference through a competitive price and personalized service.

Sincerely,

Randy Triplett

TO: ALL KKDS CUSTOMERS

In 1993 A Waste Management Act, Minnesota Statute 115A.9302 went into effect where we, the hauler, are to disclose to our customers where your waste is being disposed of from January 1, 2017 thru December 31, 2017.

You may be responsible for any liability that results from contamination at a facility where your waste has been deposited. Minnesota believes that its waste management system provides substantially more financial and environmental protection than depositing waste in landfills in other states. Managing your waste in Minnesota may minimize your potential liability.

Solid Waste Disclosure Form

Dear Customer:

The Waste Management Act, as amended in 1993, requires that a person who collects construction debris, industrial waste, or mixed municipal solid waste for transportation to a waste facility shall disclose annually to each waste generator from whom waste is collected the name, location, type of, and the number of the permit issued by the Minnesota Pollution Control Agency, or it's counterpart in another state, for the processing or disposal facility or facilities at which the waste will be deposited. The collector shall note both the primary facility at which the collector most often deposits waste and any alternative facilities regularly used by the collector. Pursuant to Minnesota Statute 115A.9302, Randy's Environmental Services hereby discloses that mixed municipal solid waste collected will be delivered to one of the following facilities during the time period January through December. If an additional facility becomes either a primary facility or an alternate facility during this period, the hauler is required to provide you with updated information within 30 days. In addition the Minnesota Legislature requires Minnesota waste haulers make the following disclosure to their customers:

"You <u>may</u> be responsible for any liability that results from contamination at the facility where your waste has been deposited. Minnesota <u>believes</u> that it's waste management system provides substantially more financial and environmental protection than depositing waste in landfills in other states. Managing your waste in Minnesota may minimize your potential liability."

LG220 Application for Exempt Permit

An exempt permit may be issued to a nonprofit organization that:

- conducts lawful gambling on five or fewer days, and
 awards less than \$50,000 in prizes during a calendar
- If total raffle prize value for the calendar year will be \$1,500 or less, contact the Licensing Specialist assigned to your county by calling 651-539-1900.

Application Fee (non-refundable)

Applications are processed in the order received. If the application is postmarked or received 30 days or more before the event, the application fee is **\$100**; otherwise the fee is **\$150**.

Due to the high volume of exempt applications, payment of additional fees prior to 30 days before your event will not expedite service, nor are telephone requests for expedited service accepted.

Reverend Phillip Rask, Pastor Church of St. Odilia 3495 Victoria Street North Shoreview, MN 55126-3813

Dear Father Rask:

The Church of St. Odilia, of Shoreview, Minnesota, a Minnesota religious parish corporation, is a tax exempt organization under the provisions of Section 501(c)(3) of the Internal Revenue Code by reason of a Group Ruling issued to the United States Conference of Catholic Bishops by the Internal Revenue Service on June 12, 2013, which is the latest annual update in a series that began with the original determination of March 25, 1946. A copy of the 2013 Group Ruling is enclosed. The Group Exemption Number is 0928.

The Group Ruling provides that any organizations listed in the *Official Cutholic Directory* for 2013 as being an agency, instrumentality and educational, charitable and religious institutions operated, supervised or controlled by or in connection with the Roman Catholic Church in the United States, are tax exempt.

The Church of St. Odilia, of Shoreview, Minnesota is listed in the *Official Catholic Directory* for 2013. A copy of the page from the directory showing that listing is enclosed.

If you have any questions about the tax exempt status, please contact me.

Thank you.

Best regards,

Joseph F. Kueppers
Chancellor for Civil Affairs

Dear Sir/Madam:

This responds to your June 5, 2013, request for information regarding the status of your group tax exemption.

Our records indicate that you were issued a determination letter in March 1946, that you are currently exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, and are not a private foundation within the meaning of section 509(a) of the Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(i).

With your request, you provided a copy of the *Official Catholic Directory for 2013*, which includes the names and addresses of the agencies and instrumentalities and the educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories, and possessions that are subordinate organizations under your group tax exemption. Your request indicated that each subordinate organization is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, and that no substantial part of their activities is for promotion of legislation. You have further represented that none of your subordinate organizations is a private foundation under section 509(a), although all subordinates do not all share the same sub-classification under section 509(a). Based on your representations, the subordinate organizations in the *Official Catholic Directory for 2013* are recognized as exempt under section 501(c)(3) of the Code under GEN 0928.

Donors may deduct contributions to you and your subordinate organizations as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for federal estate and gifts tax purposes if they meet the applicable provisions of section 2055, 2106, and 2522 of the Code.

Subordinate organizations under a group exemption do not receive individual exemption letters. Most subordinate organizations are not separately listed in Publication 78 or the EO Business Master File. Donors may verify that a subordinate organization is included

in your group exemption by consulting the *Official Catholic Directory*, the official subordinate listing approved by you, or by contacting you directly. IRS does not verify the inclusion of subordinate organizations under your group exemption. *See* IRS Publication 4573, *Group Exemption*, for additional information about group exemptions.

Each subordinate organization covered in a group exemption should have its own EIN. Each subordinate organization must use its own EIN, not the EIN of the central organization, in all filings with IRS.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Cindy Thomas

CHAPTER 309 MASSAGE THERAPY ESTABLISHMENTS

SECTION:

309.01:	Definitions
309.02:	License for Massage Therapy Establishment
309.03:	Granting, Denying or Rescinding of Licenses
309.04:	Practice of Massage Therapy Only by Licenses Persons
309.05:	Revocation or Suspension of License
309.06:	Restrictions and Regulations
309.07:	Violations, Penalty

309.01: DEFINITIONS:

As used in this Chapter, the following words and terms shall have the meanings ascribed to them in this Section:

CHAIR MASSAGE: A massage provided to a fully-clothed individual, and limited to the neck, shoulders, arms, and back, where the massage is not provided in a massage therapy establishment; and provided the individual giving the massage meets the requirements specified in Section 309.04 (A). (Ord. 1329, 11-14-05)

MASSAGE THERAPIST: A person who practices massage therapy.

MASSAGE THERAPY: The rubbing, stroking, kneading, tapping or rolling of the body with the hands or other parts of the body for the exclusive purposes of relaxation, physical fitness or beautification and for no other purpose.

The practice of massage therapy is hereby declared to be distinct from the licensed practice of medicine, osteopathy, chiropractic, physical therapy, podiatry and nursing, as well as athletic coaches and trainers. Persons engaged in those professions are exempt from the provisions of this Chapter.

MASSAGE THERAPY ESTABLISHMENT: Any room, or premise wherein a person may receive a massage from a massage therapist for a fee; where massages are given on more than 14 calendar days in any given calendar year. (Ord. 1329, 11-14-05)

SANITARY: Free from the vegetative cells of pathogenic microorganisms. (Ord. 1142, 6-13-1994)

309.02: LICENSE FOR MASSAGE THERAPY ESTABLISHMENT:

- A. License Required: No person shall engage in the business of operating a massage therapy establishment within the City without first having obtained the required license.
- B. Application Fee: The initial application for a license shall be made by completing an application form provided by and containing such information as required by the City Manager and by paying a nonrefundable application fee, as established by the City Fee Schedule in Section 314.05. (Ord. 1329, 11-14-05)

C. Separate License Required Fee: A separate license shall be obtained for each place of business, the fee for which shall be as established by the City Fee Schedule in Section 314.05. (Ord. 1329, 11-14-05)

309.03: GRANTING, DENYING OR RESCINDING OF LICENSES:

- A. Zoning Compliance: Massage Therapy Establishment licenses may be granted only to establishments associated with and operating within the confines of and incidental to a properly zoned beauty parlor (salon), health club, office, shopping mall, or similar areas open to the public. (Ord. 1329, 11-14-05)
- B. Building, Safety and Sanitation Regulations: Licenses may be denied or rescinded if the premises of the massage therapy establishments do not meet the requirements of the City Council, and of the building, safety and sanitation regulations of the City and State.
- C. Fraud or Deception: Licenses may be denied or rescinded if there is any fraud or deception involved in the license application.
- D. History of Violations: Licenses may be denied or rescinded if the applicant, licensee or employee of the same fails to comply with, or have a history of violations of the laws or ordinances which apply to health, safety or moral turpitude.
- E. Additional Conditions: The City Council may attach such reasonable conditions to the license as it, in its sole discretion, deems to be appropriate. (Ord. 1142, 6-13-1994) (Ord. 1283, 6-16-03)

309.04: PRACTICE OF MASSAGE THERAPY ONLY BY LICENSED PERSONS:

- A. Application for License: Any person or business desiring to be licensed as a massage therapy establishment shall file an application on forms provided by the City Manager. The application shall contain such information as the City Manager may require, including: (Ord. 1329, 11-14-05)
 - 1. The applicant's full name, address, social security number and written proof of age.
 - 2. The name and address of the licensed massage therapy establishment by which the applicant expects to be employed.
 - 3. A statement concerning whether the person has been convicted of or entered a plea of guilty to any crime or ordinance violation and, if so, information as to the time, place and nature of such crime or offense.
 - 4. Proof that the applicant meets the following educational requirements:
 - a. A diploma or certificate of graduation from a school approved by the American Massage Therapist Association or other similar reputable massage association; or b. A diploma or certificate of graduation from a school which is either accredited by a recognized educational accrediting association or agency or is licensed by the State or local government agency having jurisdiction over the school.
 - c. Each applicant shall also furnish proof at the time of application of a minimum of 600 hours of successfully completed course work in the following areas:
 - (1) The theory and practice of massage, including, but not limited to, Swedish, Esalen, Shiatsu and/or foot reflexology techniques; and
 - (2) Anatomy, including, but not limited to, skeletal and muscular structure and organ placement; and

- (3) Hygiene.
- B. Fee: The annual license fee for a massage therapist is as established by the City Fee Schedule in Section 314.05. Ord. 1329, 11-14-05)
- C. Review of Application: License applications shall be reviewed by the Police Department.
- D. Denial of Application: The license application may be denied for any of the following reasons:
 - 1. Fraudulent Statements: The application contains false, fraudulent, or deceptive statements.
 - 2. Prior Conviction: The applicant has been convicted of or entered a plea of guilty within the previous three years to a violation of this Chapter or of any other law regulating the practice of massage, or of any law prohibiting criminal sexual conduct, prostitution, pandering, indecent conduct or keeping of a disorderly house.
 - 3. Noncompliance: The applicant has not complied with a provision of this Chapter.
 - 4. Underage: The applicant is less than eighteen (18) years of age. (Ord. 1142, 6-13-94)

309.05: REVOCATION OR SUSPENSION OF LICENSE:

A license may be revoked or suspended for any of the following reasons:

- A. Application Fraud: Fraud, deception or misrepresentation in connection with the registration application.
- B. Violation of Chapter: A violation of any provision of this Chapter.
- C. Criminal Conviction: Conviction of a criminal sexual conduct, prostitution, pandering, indecent conduct or keeping a disorderly house.
- D. Conviction Arising out of Practice of Massage Therapy: Conviction of any crime or ordinance violation arising out of the practice of massage therapy.
- E. Lack of Skill: Exhibition of a demonstrable lack of skill in the practice of massage therapy. (Ord. 1142, 6-13-94)

309.06: RESTRICTIONS AND REGULATIONS:

- A. Display of License: Any person registered as a massage therapist hereunder shall display such license, or a true copy thereof, in a prominent place at such person's place of employment.
- B. Identification: Upon demand of any police officer at the place of employment, any person licensed hereunder shall produce correct identification, identifying himself/herself by his/her true legal name and correct address.
- C. Inspection: During business hours, all massage therapy establishments shall be open to inspection by City Building and License Inspectors, Health Officers and police officers.
- D. Therapist, Change of Location: Any person licensed hereunder shall practice massage only at such location or locations as are designated in the license. Any person registered hereunder shall inform the City Manager, in writing, of any change in location prior to its occurrence.
- E. Hours: No customers or patrons shall be allowed to enter or remain on the licensed premises after 9:00 P.M. or before 8:00 A.M. daily.
- F. Alcohol or Drugs Prohibited: No beer, liquor, narcotic drug or controlled substance, as such terms are defined by State statutes or the City Code shall be permitted on licensed premises.
- G. Violation of Building, Safety or Health Regulations: Violation of any law or regulation relating to building, safety or health shall be grounds for revocation or any license.

- H. Locks on Doors: There shall be no locks on doors of massage rooms.
- I. Appropriate Covering Required:
 - 1. Patron: Whenever a massage is given, it shall be required by the massage therapist that the person who is receiving the massage shall have her breasts and his/her buttocks and genitals covered with a nontransparent material. For purposes of receiving a chair massage, patrons must stay fully-clothed at all times. (Ord. 1329, 11-14-05)
 - 2. Therapist: Any massage therapists performing any massages shall at all times have her breasts and his/her buttocks and genitals covered with a nontransparent material. (Ord. 1142, 6-13-94)
- J. With the exception of chair massages, all other types of massages shall take place in a private room subject to the conditions and restrictions noted above. (Ord. 1329, 11-14-05)

309.07: VIOLATIONS, PENALTY:

Every person who violates this Chapter is guilty of a misdemeanor. (Ord. 1142, 6-13-94)

Item Description: Consider Not Waiving Statutory Liability Limits for 2017

1 BACKGROUND

Minnesota Statute 466.04 states that liability of any municipality on any one claimant shall not exceed

\$500,000 when the claim is for death, wrongful act, or omission; and shall not pay more than \$1,500,000

for claims arising out of a single occurrence.

4 5

State Statute provides municipalities the opportunity to waive the individual statutory limit to better

accommodate claimants that may have been harmed by the City's actions or negligence. However, by

8 waiving the statutory limit there is no limit on the settlement a claimant(s) may receive, and the waiver

would apply to all claims. The City's Liability Insurance provider requires a formal action by the City

10 Council designating its intentions.

11 POLICY OBJECTIVE

12 Not applicable.

13 FINANCIAL IMPACTS

Waiving the statutory limits would create greater risk and carry the potential for higher insurance payouts on

claims brought against the City.

16 STAFF RECOMMENDATION

Staff recommends the Council <u>NOT</u> waive the Statutory Liability Limits for 2017.

18 REQUESTED COUNCIL ACTION

Motion to <u>NOT</u> waive the Statutory Liability Limits for 2017.

Item Description: Confirm Citizen Advisory Commission Reappointment/Appointment

Schedule

BACKGROUND

2

4

The City has seven standing commissions. Commissions advise the City Council on specific actions and offer citizens a way to provide input on issues of importance. The Council annually appoints citizens to the commissions.

6

9

10

12

13

The City Council requests interviews, re-appoints Commissioners and/or declares vacancies on the standing Commissions. At the December 6, 2004 City Council meeting, the Council passed a resolution limiting Commissioners to two consecutive, three-year terms and requiring Commissioners to reapply for reappointment to a second term. The resolution states that "A. No later than sixty days....the Council will consider whether to interview the commissioner; if two council members request, a commissioner seeking reappointment will be scheduled to attend an interview before the entire Council. B. Should the Council determine that the individual merits reappointment, that person will be reappointed."

15 16

17

18

The commission application process has been refined over the years to recruit the best candidates for commissions. To ensure availability for interviews, staff includes the interview dates in the Requests for Council Actions and in news releases and website postings. By including the interview date in the notices, candidates can plan to be available that day.

192021

Once the application deadline closes, staff determines the number of applicants and sets interview times. Candidates are notified by email and a follow up phone call. If we do not receive confirmation, staff sends a letter confirming the interview date and time.

232425

Commissioners are appointed to terms that begin April 1 of each year. The following Commissioners' terms expire March 31, 2017:

262728

Community Engagement

29 30

31

32

Chelsea Holub – eligible and requests reappointment
Michelle Manke – eligible and requests reappointment
Amber Sattler – not interested in reappointment

In addition, Theresa Gardella and Scott Becker are resigning from the Community Engagement Commission. Ms. Gardella's term runs through March 31, 2019. Mr. Becker's term runs through March 31, 2019.

Finance Commission

Matt Harold - eligible and requests reappointment Edwin Hodder - eligible and requests reappointment John Murray – eligible and requests reappointment

In addition, Rao Konidena is resigning from the Finance Commission. His term runs through March 31, 2018.

Human Rights Commission

Edward Johnson - eligible and requests reappointment: Molli Slade – not interested in reappointment

Parks and Recreation Commission

Lee Diedrick – not eligible for reappointment Terrance Newby – eligible and requests reappointment

Planning Commission

Michael Bogusewski – not eligible for reappointment James Daire – eligible and requests reappointment

Police Civil Service Commission

Zoe Jenkins – not eligible for reappointment

Public Works, Environment and Transportation Commission

Sarah Brodt-Lenz – not interested in reappointment Brian Cihacek – eligible and requests reappointment

Applications for commissioners who wish to be reappointed will be available at the January 9 Council meeting.

Staff will contact commission chairs to get recommendations of reappointments. Staff will also get commissioners' attendance records for the previous 12 months.

REQUESTED COUNCIL ACTION

Confirm Citizen Advisory Commission Reappointment/Appointment Process – two options: with interviewing commissioners requesting reappointment and without interviewing commissioner requesting reappointment.

Schedule if commissioners are interviewed for reappointment

- January 9 Applications from commissioners seeking reappointment will be included in Council packet. Council may reappoint and/or determine which commissioners to interview. If no commissioners are to be interviewed, staff will begin advertising the vacancies using the deadlines below.
- January 23 Interview returning commissioners (if applicable).
- January 30 Consider applications of commissioners who were re-interviewed, and reappoint and/or declare vacancies. Authorize staff to advertise for commission vacancies with a March 7 deadline for applications.
- March 13 Interview commission applicants before regular meeting. Start time depends upon how many applicants to be interviewed.
- March 20 Appoint applicants to fill vacancies.

Schedule if commissioners are not interviewed for reappointment

• January 9 – Applications from commissioners seeking reappointment will be included in Council packet. Consider applications of commissioners who were re-interviewed, and reappoint and/or declare vacancies. Authorize staff to advertise for commission vacancies with a February 20 deadline for applications.

• February 27 – Interview commission applicants before regular meeting. Start time depends upon how many applicants to be interviewed.

• March 13 – Appoint applicants to fill vacancies.

CITY OF ROSEVILLE

REAPPOINTMENT PROCESS AND TERM LIMITS POLICY ROSEVILLE CITIZEN ADVISORY COMMISSIONS

BACKGROUND

The City of Roseville has six standing Advisory Commissions:, Ethics, Human Rights, Parks and Recreation, Planning, Police Civil Service, and Public Works, Environment and Transportation; the City also establishes other advisory groups as needed.

POLICY STATEMENT:

It is the intent of this policy to establish a fair and open notification and selection process that encourages all Roseville residents to apply for appointments.

PROCEDURE STATEMENT:

I.

If a vacancy occurs because of resignation, death, moving from the City, removal from office, ineligibility for reappointment, etc., on any standing Advisory Commission, the following procedure will be used.

- A. When a Commission vacancy occurs the City Council, at a regular meeting, will establish a deadline for receiving applications and the date of the Council Meeting to interview the applicants. The time between the application deadline and the interviews shall be no more 30 days.
- B. Commission vacancies will be advertised in the City's legal newspaper and, if different, the Roseville Review at least two times before the application deadline. Vacancies will also be advertised on Cable Television and posted on the City Hall Bulletin Board.
- C. Applications received after the deadline will not be accepted.
- D. Names of applicants and applications will be provided to the City Council and the public after the application deadline.
- E. If fewer applications are received than twice the number of openings, the City Council may establish a new application deadline and Council Meeting for interviews. If a new deadline is adopted, the vacancy will be re-advertised as described in "B": above.
- F. Applicants will be interviewed by the City Council. The Chair or the Chair's designee, of the Commission to which the applicant is seeking appointment will be invited to attend and participate in the interview process. Interviews are open to the public.

- G. If a new vacancy occurs after an application deadline and before an appointment is made, a new application process will be used as described in this procedure.
- H. The City Council will make the appointments at the first Council meeting following interviews.
- I. Advisory Commission Applications shall be kept on file for one year. If during that year a vacancy occurs on any Commission, all applicants will be advised of the vacancy in writing.

II.

If a current Commission member's term is expiring and is eligible for reappointment, the following procedure will be used.

- A. No later than sixty days prior to the expiration of a term, each commission member whose term is expiring shall be contacted in writing and directed to complete a written application for reappointment if they desire to be reappointed. For persons seeking reappointment, the Council shall be advised of the attendance record of the individual whose term is expiring. The Council will also be provided with written comments from the Chairperson of the Commission regarding the reappointment of the individual. At that time, the Council will consider whether to interview the commissioner; if two councilmembers request, a commissioner seeking reappointment will be scheduled to attend an interview before the entire Council
- B. Should the Council determine that the individual merits reappointment, that person will be reappointed.
- C. Should the incumbent not wish to be reappointed or should the Council determine that the individual does not merit reappointment, the Council will follow the procedure for filling vacancies ad described in I. above.

APPOINTMENT TO OTHER CITY ADVISORY GROUPS

The Council may use the procedure outlined in Sections I. and II. above for making appointments to other advisory groups, committees, task forces, etc.

TERM LIMITS

Members of all Advisory Commissions may serve a maximum of two full consecutive three-year terms. The Council may reappoint a person for a period not exceeding one additional year if the Council, by four-fifths vote determines that reappointment is in the best interest of such Commission and the City.

Agenda Item: 8.f

Department Approval

City Manager Approval

Item Description:

Authorize staff to enter into a professional services contract with Kimley-

Horn to lead an update of the subdivision code (PROJ-0042)

BACKGROUND

1

11

21

2 On September 19, 2016, the City Council enacted an interim ordinance (i.e., a moratorium)

3 prohibiting creation of parcels for new residential development through the "minor

4 subdivision" process defined in the Subdivision Code. The interim ordinance was adopted

5 with the understanding that the Subdivision Code, and Minor Subdivision section, was due

for updating. The moratorium is set to expire on March 18, 2017, or upon the adoption of

7 revised minor subdivision regulations addressing the reasons for enacting the interim

8 ordinance; if necessary, the moratorium may be extended up to an additional six months

beyond March 18, 2017, to allow more time to appropriately update the minor subdivision

ordinance.

PLANNING DIVISION COMMENTS

The Subdivision Code as a whole has been in need of update, at least since the adoption of

the 2030 Comprehensive Plan; an update is still required to ensure that the subdivision

regulations are in line with the goals and policies of the comprehensive plan, much like the

zoning code update that was completed in 2010. The Planning Division believes, however,

that the bulk of the existing subdivision regulations, which were adopted in 1956 to provide

for the orderly physical development of a community that was substantially undeveloped, are

less appropriate for a community that has become almost completely built-out in the

intervening 60 years. Subdivision regulations that were suitable for platting large tracts of

open or agricultural land with many lots and new street rights-of-way are less well suited to

guiding current applications, which predominantly involve further subdivision of individual

parcels, transferring small parcels of land from one lot to an abutting neighbor, or aggregating

groups of smaller parcels into larger lots for redevelopment. Beginning in early 2014,

24 Planning Division staff made attempts to research current best practices and draft appropriate

25 updates to subdivision code regulations, but due to workload and capacity constraints, the

Planning Division has only been able to respond with text amendments to the code in

27 reaction to applications received.

The Planning Division budgeted to hire a consultant to lead this process, with the intent to

begin the update in 2017. Staff has requested proposals from consultants to lead a process of

30 updating the whole subdivision code, including the minor subdivision regulations, at once,

31 ideally completing the update before the moratorium expires.

- 32 Staff received five proposals, with a wide range of scopes and an average price of \$21,675,
- and found that the proposal from Kimley-Horn and Associates, Inc. (Kimley-Horn) identified
- the most appropriate work plan at a cost of \$19,500, which falls within the Community
- Development Department's budget of approximately \$20,000 for updating the Subdivision
- Code in 2017. Generally, the proposal involves the following steps which can be completed
- 37 by mid-March:

41

42

43

44

45

46

- creating a detailed outline describing how and why a new subdivision code would resemble or differ from the existing regulations; staff would present this outline to the Planning Commission and City Council for feedback and guidance
 - drafting the revised subdivision code based on the intermediate feedback to the proposed outline
 - presenting the draft subdivision code at a public hearing and revising the draft according to the Planning Commission's recommendation after the public hearing
 - presenting the final draft ordinance to City Council for final action
 - making any required changes specified by City Council action on the ordinance
- A detailed, draft scope of work has been provided in the consultant's proposal, and this
- information is the basis for the Standard Agreement for Professional Services. The proposal
- 49 references Kimley-Horn's professional services agreement, but Kimley-Horn and the City
- 50 Attorney have agreed on the terms of Roseville's Standard Agreement for Professional
- Services. Therefore, the standard agreement, supported by Kimley-Horn's detailed scope of
- work and cost, is included with this RCA for Council approval.

53 REQUESTED ACTION

- 54 Authorize staff to enter into a Standard Agreement for Professional Services with
- 55 Kimley-Horn to lead an update of the subdivision code based on the detailed scope of
- 56 services.

1 2 3 4 **Standard Agreement for Professional Services** 5 6 7 8 9 10 11 This Agreement ("Agreement") is made on the 8th day of December, 2016, between the City of Roseville, a municipal corporation (hereinafter "City"), and Kimley-Horn and 12 13 Associates, Inc., a domestic corporation (hereinafter "Consultant"). 14 15 **Preliminary Statement** 16 17 The City has adopted a policy regarding the selection and hiring of consultants to provide a 18 variety of professional services for City projects. That policy requires that persons, firms or 19 corporations providing such services enter into written agreements with the City. The purpose of 20 this Agreement is to set forth the terms and conditions for the performance of professional 21 services by the Consultant. 22 23 The City and Consultant agree as follows: 24 25 1. Scope of Work Proposal. The Consultant agrees to provide the professional services shown in Exhibit "A" attached hereto ("Work") in consideration for the compensation set 26 27 forth in Provision 3 below. The terms of this Agreement shall take precedence over and 28 supersede any provisions and/or conditions in any proposal submitted by the Consultant. 29 30 **Term.** The term of this Agreement shall be from December 8, 2016, through June, 6, 2. 31 2017, the date of signature by the parties notwithstanding. 32 33 3. Compensation for Services. The City agrees to pay the Consultant the compensation 34 described in Exhibit B attached hereto for the Work, subject to the following: 35 36 A. Any changes in the Work which may result in an increase to the compensation due 37 the Consultant shall require prior written approval of the City. The City will not pay additional compensation for Work that does not have such prior written approval. 38 39 40 B. Third party independent contractors and/or subcontractors may be retained by the 41 Consultant when required by the complex or specialized nature of the Work when 42 authorized in writing by the City. The Consultant shall be responsible for and shall 43 pay all costs and expenses payable to such third party contractors unless otherwise agreed to by the parties in writing. 44

45

- 46 4. *City Assistance.* The City agrees to provide the Consultant with the following assistance concerning the Work to be performed hereunder:
 - A. Depending on the nature of the Work, Consultant may from time to time require access to public and private lands or property. To the extent the City is legally and reasonably able, the City shall provide access to and make provisions to enable the Consultant to enter upon public and private land and property as required for the Consultant to perform and complete the Work.
 - B. The City shall furnish the Consultant with a copy of any special standards or criteria promulgated by the City relating to the Work, including but not limited to design and construction standards, that is needed by the Consultant in order to prepare for the performance of the Work.
 - C. A person shall be appointed to act as the City's representative with respect to the Work to be performed under this Agreement. Such representative shall have authority to transmit instructions, receive information, interpret, and define the City's policy and decisions with respect to the Work to be performed under this Agreement, but shall not have the right to enter into contracts or make binding agreements on behalf of the City with respect to the Work or this Agreement.
 - 5. *Method of Payment.* The Consultant shall submit to the City, on a monthly basis, an itemized invoice for Work performed under this Agreement. Invoices submitted shall be paid in the same manner as other claims made to the City. Invoices shall contain the following:
 - A. For Work reimbursed on an hourly basis, the Consultant shall indicate for each employee, his or her name, job title, the number of hours worked, rate of pay for each employee, a computation of amounts due for each employee, and the total amount due for each project task. The Consultant shall verify all statements submitted for payment in compliance with Minnesota Statutes Sections 471.38 and 471.391. For reimbursable expenses, if provided for in Exhibit A, the Consultant shall provide an itemized listing and such documentation of such expenses as is reasonably required by the City. Each invoice shall contain the City's project number and a progress summary showing the original (or amended) amount of the Agreement, current billing, past payments and unexpended balance due under the Agreement.
 - B. To receive any payment pursuant to this Agreement, the invoice must include the following statement dated and signed by the Consultant: "I declare under penalty of perjury that this account, claim, or demand is just and correct and that no part of it has been paid."

The payment of invoices shall be subject to the following provisions:

A. The City shall have the right to suspend the Work to be performed by the Consultant under this Agreement when it deems necessary to protect the City, residents of the City or others who are affected by the Work. If any Work to be performed by the Consultant is suspended in whole or in part by the City, the Consultant shall be paid for any services performed prior to the delivery upon Consultant of written notice from the City of such suspension.

- B. The Consultant shall be reimbursed for services performed by any third party independent contractors and/or subcontractors only if the City has authorized the retention of and has agreed to pay such persons or entities pursuant to Section 3B above.
- 6. **Project Manager and Staffing.** The Consultant has designated Michael Lamb ("Project Contact") to perform and /or supervise the Work, and as the person for the City to contact and communicate with regarding the performance of the Work. The Project Contact shall be assisted by other employees of the Consultant as necessary to facilitate the completion of the Work in accordance with the terms and conditions of this Agreement. Consultant may not remove or replace Project Contracts without the prior approval of the City.
- 7. **Standard of Care.** All Work performed by the Consultant under this Agreement shall be in accordance with the normal standard of care in Ramsey County, Minnesota, for professional services of like kind.
 - 8. Audit Disclosure. Any reports, information, data and other written documents given to, or prepared or assembled by the Consultant under this Agreement which the City requests to be kept confidential shall not be made available by the Consultant to any individual or organization without the City's prior written approval. The books, records, documents and accounting procedures and practices of the Consultant or other parties relevant to this Agreement are subject to examination by the City and either the Legislative Auditor or the State Auditor for a period of six (6) years after the effective date of this Agreement. The Consultant shall at all times abide by Minn. Stat. § 13.01 et seq. and the Minnesota Government Data Practices Act, to the extent the Act is applicable to data, documents, and other information in the possession of the Consultant.
 - 9. *Termination*. This Agreement may be terminated at any time by the City, with or without cause, by delivering to the Consultant at the address of the Consultant set forth on page 1, a written notice at least seven (7) days prior to the date of such termination. The date of termination shall be stated in the notice. The Consultant shall have the right to terminate this Agreement upon seven (7) days notice to the City upon breach by the City of any of its obligations under this Agreement. Upon termination the Consultant shall be paid for services rendered (and reimbursable expenses incurred if required to be paid by the City under this Agreement) by the Consultant through and until the date of termination so long as the Consultant is not in default under this Agreement. If however, the City terminates the Agreement because the Consultant is in default of its obligations under this Agreement, no further payment shall be payable or due to the Consultant following the delivery of the termination notice, and the City may, in addition to any

other rights or remedies it may have, retain another consultant to undertake or complete the Work to be performed hereunder.

139

140 10. *Subcontractor*. The Consultant shall not enter into subcontracts for services provided under this Agreement without the express written consent of the City. The Consultant shall promptly pay any subcontractor involved in the performance of this Agreement as required by the State Prompt Payment Act.

144

11. *Independent Consultant.* At all times and for all purposes herein, the Consultant is an independent contractor and not an employee of the City. No statement herein shall be construed so as to find the Consultant an employee of the City.

148

149 12. Non-Discrimination. During the performance of this Agreement, the Consultant shall not discriminate against any person, contractor, vendor, employee or applicant for 150 151 employment because of race, color, creed, religion, national origin, sex, marital status, 152 status with regard to public assistance, disability, sexual orientation or age. 153 Consultant shall post in places available to employees and applicants for employment, 154 notices setting forth the provision of this non-discrimination clause and stating that all 155 qualified applicants will receive consideration for employment. The Consultant shall incorporate the foregoing requirements of this Provision 12 in all of its subcontracts for 156 Work done under this Agreement, and will require all of its subcontractors performing 157 158 such Work to incorporate such requirements in all subcontracts for the performance of 159 the Work. The Consultant further agrees to comply with all aspects of the Minnesota Human Rights Act, Minnesota Statutes 363.01, et. seq., Title VI of the Civil Rights Act 160 161 of 1964, and the Americans with Disabilities Act of 1990.

162

163 13. *Assignment*. The Consultant shall not assign this Agreement, nor its rights and/or obligations hereunder, without the prior written consent of the City.

165

166 14. *Services Not Provided For.* No claim for services furnished by the Consultant not specifically provided for herein shall be paid by the City.

168

169 Compliance with Laws and Regulations. The Consultant shall abide with all federal, 15. 170 state and local laws, statutes, ordinances, rules and regulations in the performance of the 171 Work. The Consultant and City, together with their respective agents and employees, agree to abide by the provisions of the Minnesota Data Practices Act, Minnesota Statutes 172 173 Section 13, as amended, and Minnesota Rules promulgated pursuant to Chapter 13. Any 174 violation by the Consultant of statutes, ordinances, rules and regulations pertaining to the 175 Work to be performed shall constitute a material breach of this Agreement and entitle the 176 City to immediately terminate this Agreement.

177

178 16. *Waiver.* Any waiver by either party of a breach of any provisions of this Agreement shall not affect, in any respect, the validity of the remainder of this Agreement.

180

181 17. *Indemnification.* To the fullest extent permitted by law, the Consultant agrees to defend, indemnify and hold the City, Councilmembers, officers, agents, employees, and

Revised 8/3/10 183 representatives harmless from and against all liability, claims, damages, costs, judgments, 184 losses, and expenses, including but not limited to reasonable attorney's fees, to the extent caused by the negligent acts of the Consultant, its officers, agents, employees, 185 186 contractors, and/or subcontractors pertaining to the execution, performance or failure to adequately perform the Work and/or its obligations under this Agreement. 187 188 189 18. Insurance. 190 191 A. General Liability. Prior to starting the Work, the Consultant shall procure, maintain 192 and pay for such insurance as will protect against claims for bodily injury or death, 193 and for damage to property, including loss of use, which may arise out of operations 194 by the Consultant or by any subcontractor of the Consultant, or by anyone employed 195 by any of them, or by anyone for whose acts any of them may be liable. Such 196 insurance shall include, but not be limited to, minimum coverages and limits of liability specified in this Provision 18 or required by law. Except as otherwise stated 197 198 below, the policies shall name the City as an additional insured for the Work provided 199 under this Agreement and shall provide that the Consultant's coverage shall be 200 primary and noncontributory in the event of a loss. 201 202 B. F. If Consultant fails to provide the insurance coverage specified herein, the Consultant will defend, indemnify and hold harmless the City, the City's officials, agents and employees from any loss, claim, liability and expense (including reasonable attorney's fees and expenses of litigation) to the extent necessary to afford the same protection as would have been provided by the specified insurance. Except to the extent prohibited by law, this indemnity applies regardless of any strict liability or negligence attributable to the City (including sole negligence) and regardless of the extent to which the underlying occurrence (i.e., the event giving rise to a claim which would have been covered by the specified insurance) is attributable to the negligent or otherwise wrongful act or omission (including breach of contract) of Consultant, its contractors, subcontractors, agents, employees or delegates. Consultant agrees that this indemnity shall be construed and applied in favor of indemnification. Consultant also agrees that if applicable law limits or precludes any aspect of this indemnity, then the indemnity will be considered limited only to the extent necessary to comply with that applicable law. The stated indemnity continues until all applicable statutes of limitation have run.

19. *Ownership of Documents*. All plans, diagrams, analysis, reports and information generated in connection with the performance of this Agreement ("Information") shall become the property of the City, but the Consultant may retain copies of such documents as records of the services provided. The City may use the Information for any reasons it deems appropriate without being liable to the Consultant for such use. The Consultant shall not use or disclose the Information for purposes other than performing the Work contemplated by this Agreement without the prior consent of the City.

320 20. Dispute Resolution/Mediation. Each dispute, claim or controversy arising from or 321 related to this Agreement or the relationships which result from this Agreement shall be 322 subject to mediation as a condition precedent to initiating arbitration or legal or equitable 323 actions by either party. Unless the parties agree otherwise, the mediation shall be in 324 accordance with the Commercial Mediation Procedures of the American Arbitration 325 Association then currently in effect. A request for mediation shall be filed in writing with 326 the American Arbitration Association and the other party. No arbitration or legal or 327 equitable action may be instituted for a period of 90 days from the filing of the request 328 for mediation unless a longer period of time is provided by agreement of the parties. 329 Cost of mediation shall be shared equally between the parties. Mediation shall be held in 330 the City of Roseville unless another location is mutually agreed upon by the parties. The 331 parties shall memorialize any agreement resulting from the mediation in a Mediated 332 Settlement Agreement, which Agreement shall be enforceable as a settlement in any 333 court having jurisdiction thereof. 334

335 21. *Annual Review.* Prior to each anniversary of the date of this Agreement, the City shall have the right to conduct a review of the performance of the Work performed by the Consultant under this Agreement. The Consultant agrees to cooperate in such review and to provide such information as the City may reasonably request. Following each performance review the parties shall, if requested by the City, meet and discuss the performance of the Consultant relative to the remaining Work to be performed by the

341 Consultant under this Agreement.

Conflicts. No salaried officer or employee of the City and no member of the Board of the
 City shall have a financial interest, direct or indirect, in this Agreement. The violation of
 this provision shall render this Agreement void.

346

347 23. *Governing Law.* This Agreement shall be controlled by the laws of the State of Minnesota.

349

342

350 24. *Counterparts.* This Agreement may be executed in multiple counterparts, each of which shall be considered an original.

352

353 25. *Severability*. The provisions of this Agreement are severable. If any portion hereof is, for any reason, held by a court of competent jurisdiction to be contrary to law, such decision shall not affect the remaining provisions of this Agreement.

356

357 26. Entire Agreement. Unless stated otherwise in this Provision 26, the entire agreement of the parties is contained in this Agreement. This Agreement supersedes all prior oral 358 359 agreements and negotiations between the parties relating to the subject matter hereof as well as any previous agreements presently in effect between the parties relating to the 360 Any alterations, amendments, deletions, or waivers of the 361 subject matter hereof. 362 provisions of this Agreement shall be valid only when expressed in writing and duly 363 signed by the parties, unless otherwise provided herein. Scope of Services

Task 1 - Kick-off Meeting

We will meet with city staff to discuss the project and to clarify/confirm the scope of work as well as needs and issues that should be addressed. This first meeting will include time to interview staff to get a better understanding of the desired revisions and depth of the technical changes to be made and to hold a staff department roundtable to review issues and suggestions. These meetings are proposed to occur on the same day, back-to-back.

- Meeting with city staff (1)
- Meeting with department staff (1)

Task 2 - Best Practices and Case Studies

We will research best practices and three to five applicable case studies. These will serve as good examples that may suggest how desired development and design character might be used in the code. We will meet with city staff to review and discuss and rely on GIS mapping support from the city staff to analyze development, subdivision and lot patterns.

- Summary memo of best practices and case studies
- Meeting with city staff (1)

Task 3 - Annotated Outline

We will prepare an annotated outline including definitions, principal subject areas, design standards, administration, and enforcement. The outline will be prepared with discussion and input from staff before presentation to planning commission and city council.

Meeting with city staff (1)

Task 4 - Draft Code

Based on the interview, feedback, and a single round of comments (compiled and summarized by the client) from city and department staff we will prepare a first draft for review and discussion with city staff. After review, we will incorporate comments and edits into a revised draft for distribution internally for department staff review and comment. City staff will receive department comments and coordinate with Kimley-Horn. Once these comments are incorporated we will prepare a draft for planning commission review.

- Meeting with city staff (2)
- First draft and revised draft (1) of Title 11 document

Task 5 - Planning Commission meeting

Kimley-Horn will attend one (1) Planning Commission meeting and present the draft code for comment and discussion. Based on comments we will make revisions to the draft prior to a presentation to the City Council.

Meeting with city staff (1)

Planning Commission meeting (1)

Task 6 - City Council Meeting

Kimley-Horn will attend one (1) City Council meeting and present the draft code for discussion and approval and/or revision.

- Meeting with city staff (1)
- City Council meeting (1)

Task 7 - Final Document Code Title 11

Kimley-Horn will incorporate comments from the planning commission and City Council into a file document that staff will submit to the city council for approval. Document will be delivered as a Word document and in a suitable web-ready format.

Deliver final document (1)

Additional meetings, as needed and/or requested, will be billed at current hourly rates.

Schedule

We will provide our services with the goal of meeting the following, general schedule:

- November Selection and notice to proceed
- November Conduct Task 1, Task 2, and begin Task 3
- December Begin Task 3
- January Complete Task 3 begin Task 4
- February Task 4; present to Planning Commission (Task 5) and City Council (Task 6)
- March Task 7, deliver final code document in editable format

LG215 Lease for Lawful Gambling Activity

Lease Term: The term of this agreement will be concurrent with the premises permit issued by the Gambling Control Board (Board).

Management: The owner of the premises or the lessor will not manage the conduct of lawful gambling at the premises. The organization may not conduct any activity on behalf of the lessor on the leased premises.

Participation as Players Prohibited: The lessor will not participate directly or indirectly as a player in any lawful gambling conducted on the premises. The lessor's immediate family and any agents or gambling employees of the lessor will not participate as players in the conduct of lawful gambling on the premises, except as authorized by Minnesota Statutes, Section 349.181.

Illegal Gambling: The lessor is aware of the prohibition against illegal gambling in Minnesota Statutes 609.75, and the penalties for illegal gambling violations in Minnesota Rules 7865.0220, Subpart 3. In addition, the Board may authorize the organization to withhold rent for a period of up to 90 days if the Board determines that illegal gambling occurred on the premises or that the lessor or its employees participated in the illegal gambling or knew of the gambling and did not take prompt action to stop the gambling. Continued tenancy of the organization is authorized without payment of rent during the time period determined by the Board for violations of this provision, as authorized by Minnesota Statutes, Section 349.18, Subd. 1(a).

To the best of the lessor's knowledge, the lessor affirms that any and all games or devices located on the premises are not being used, and are not capable of being used, in a manner that violates the prohibitions against illegal gambling in Minnesota Statutes, Section 609.75.

Notwithstanding Minnesota Rules 7865.0220, Subpart 3, an organization must continue making rent payments under the terms of this lease, if the organization or its agents are found to be solely responsible for any illegal gambling, conducted at this site, that is prohibited by Minnesota Rules 7861.0260, Subpart 1, item H, or Minnesota Statutes, Section 609.75, unless the organization's agents responsible for the illegal gambling activity are also agents or employees of the lessor.

The lessor must not modify or terminate the lease in whole or in part because the organization reported, to a state or local law enforcement authority or to the Board, the conduct of illegal gambling activity at this site in which the organization did not participate.

Other Prohibitions: The lessor will not impose restrictions on the organization with respect to providers (distributor or linked bingo game provider) of gambling-related equipment and services or in the use of net profits for lawful purposes.

The lessor, the lessor's immediate family, any person residing in the same residence as the lessor, and any agents or employees of the lessor will not require the organization to perform any action that would violate statute or rule. The lessor must not modify or terminate this lease in whole or in part due to the lessor's violation of this provision. If there is a dispute as to whether a violation occurred, the lease will remain in effect pending a final determination by the Compliance Review Group (CRG) of the Board. The lessor agrees to arbitration when a violation of this provision is alleged. The arbitrator shall be the CRG.

Access to Permitted Premises: Consent is given to the Board and its agents, the commissioners of revenue and public safety and their agents, and law enforcement personnel to enter and inspect the permitted premises at any reasonable time during the business hours of the lessor. The organization has access to the premises during any time reasonable and when necessary for the conduct of lawful gambling.

Lessor Records: The lessor must maintain a record of all money received from the organization, and make the record available to the Board and its agents, and the commissioners of revenue and public safety and their agents upon demand. The record must be maintained for 3-1/2 years.

Rent All-Inclusive: Amounts paid as rent by the organization to the lessor are all-inclusive. No other services or expenses provided or contracted by the lessor may be paid by the organization, including but not limited to:

- trash removal
- electricity, heat
- snow removal
- storage
- janitorial and cleaning services
- other utilities or services
- lawn services
- security, security monitoring
- cost of any communication network or service required to conduct electronic pull-tabs games or electronic bingo
- in the case of bar operations, cash shortages.

Any other expenditures made by an organization that is related to a leased premises must be approved by the director of the Board. Rent payments may not be made to an individual.

PLANNING COMMISSION ACTION

The Planning Commission held the public hearing for this application on November 2, 2016, and voted 7 - 0 to recommend approval of the

proposed zoning text amendment.

ZONING AMENDMENT ANALYSIS

- 2 In August 2016, the City Council passed an ordinance increasing the amount of impervious
- surfaces allowed on lots zoned LDR-2 from 30% to 35% and, while the amendment was being
- 4 considered, the Council directed Planning Division staff to initiate a further amendment of this
- 5 part of the code to reduce the amount of overall "improvement area" (i.e., development potential,
- 6 essentially) of LDR-2 lots.
- As contemplated in the zoning code, a property's allowed improvement area is the amount of
- 8 built improvements permitted, regardless of whether those improvements are impervious or
- otherwise. This is intended to limit the overall intensity of development on a property after it has
- reached the permitted amount of impervious surfaces; decks, permeable patios or paths, arbors,
- and so on are subject to the improvement area limit even if they are built in a way that isn't
- impervious. Planting beds and similar landscaped areas are not constrained by the improvement
- area limit. The current zoning provision, incorporated with the comprehensive zoning code
- update in 2010, limits an LDR-2 property to 70% coverage by this kind of built improvements,
- and the City Council instructed staff to lower that allowance to 50% to match the limit for LDR-1
- 16 properties.

The desire to further limit built improvements in the LDR-2 district was primarily discussed in 17 the context of lots for single-family, detached homes because the aesthetic expectations for 18 single-family neighborhoods are generally believed to include more "open" or "green" space than 19 neighborhoods of more-dense housing types. Single-family, detached homes are permitted 20 development types in three zoning districts: LDR-1, LDR-2, and MDR. Minimum lot sizes for 21 single-family, detached homes decrease across these districts, and the size of the homes is 22 generally expected to shrink along with lot sizes. The LDR-1, LDR-2, and MDR zoning districts 23 were intended to allow for an increasing proportion of improvement area in an effort to ensure 24 that the lots remained reasonably developable even as the lot sizes approached the minimum 25 standards in their respective districts. 26

This intent is reflected in early drafts of the LDR-1 and -2 and MDR district regulations, 27 although these earliest drafts still utilized limits only on impervious surfaces, as had traditionally 28 been the case. The draft of the LDR-1 district carried forward the 30% limit of the former R1 29 district, the draft LDR-2 district would have allowed 50% impervious coverage on lots for single-30 family, detached homes, and the draft MDR district would have allowed 60% impervious 31 coverage. Eventually, the draft regulations shifted focus from only limiting impervious surfaces 32 to also limiting the kinds of overall built improvements discussed above, since those other 33 improvements also affect the character of a residential property. This is when the 50% 34 improvement area limit was proposed for the LDR-1 district, and the 70% limit was proposed for 35 the LDR-2 district. Staff has been unable to find documentation of why these particular figures 36 were proposed, but they were established some time before the discussion of an improvement 37 area limit for the MDR district. This time differential may help to explain the apparent failure to 38 reconcile the 65% limit later set for the MDR district with the 70% limit in the LDR-2 district 39 when the LDR-2 limit would be expected to be lower than the MDR limit. 40

limit was preferred for the LDR-2 district, coinciding with the same limit in the LDR-1 district. 42 Planning Division staff believes that there is good reason to lower the limit in the LDR-2 district, 43 especially since the current limit is greater than that of the MDR district. Because of the 44 perceived value in the diversity of housing choices facilitated by the unique LDR-2 lot sizes, the 45 Planning Commission felt allowing a degree of development on LDR-2 lots between the 50% 46 LDR-1 limit and the 65% MDR limit would be worthwhile. For this reason, given that the 47 minimum lot size in the LDR-2 district (i.e., 6,000 square feet) is quite a bit closer to the 4,800 48 square-foot minimum MDR lot size than the minimum lot size in the LDR-1 district (i.e., 11,000 49 square feet), the Planning Commission recommended reducing the LDR-2 improvement area 50 limit to 60% of a parcel area. A draft ordinance is included with this RCA as Exhibit B. 51

The City Council's initial indication about this amendment was that a 50% improvement area

The public hearing for the proposed zoning amendment was held by the Planning Commission on November 2, 2016; draft minutes of the public hearing are included with this RCA as Exhibit A. The draft minutes indicate the inclusion of a diagram prepared by Commissioner Daire, illustrating various residential lot sizes and the portion of their respective parcel areas encompassed within generalized principal-structure setback lines. The diagram seemed helpful to some Commissioners in visualizing how the improvement area limits compared to the area within these setbacks, but the illustrations didn't prove helpful in visualizing the effects of improvement area (i.e., its contribution to mass and reduction of green space) because

- improvements are distributed much more widely around a property than the principal structure
- setback likes would suggest. At the time this report was prepared, Planning Division staff has not
- received additional communications from the public.

64 LEVEL OF CITY DISCRETION IN DECISION-MAKING

- Action taken on a proposed zoning change is legislative in nature; the City has broad discretion
- in making land use decisions based on advancing the health, safety, and general welfare of the
- 67 community.

68 PLANNING COMMISSION RECOMMENDATION

- Pass an ordinance amending City Code Section 1004.09C (Improvement Area) to reduce
- the Improvement Area limit in the LDR-2 District, based on the findings and recommendation
- of the Planning Commission, the content of this RCA, public input, and City Council
- 72 deliberation.

ALTERNATIVE ACTIONS

- **A)** Pass a motion to table the item for future action. While there's no required timeline for approving City-initiated proposals such as this, deferring action into the future could have adverse consequences for property owners or potential developers who may be following this process and anticipating its conclusion.
- **B)** By motion, deny the request. Denial should be supported by specific findings of fact based on the City Council's review of the application, applicable City Code regulations, and the public record.

Prepared by: Senior Planner Bryan Lloyd

RCA Exhibit A

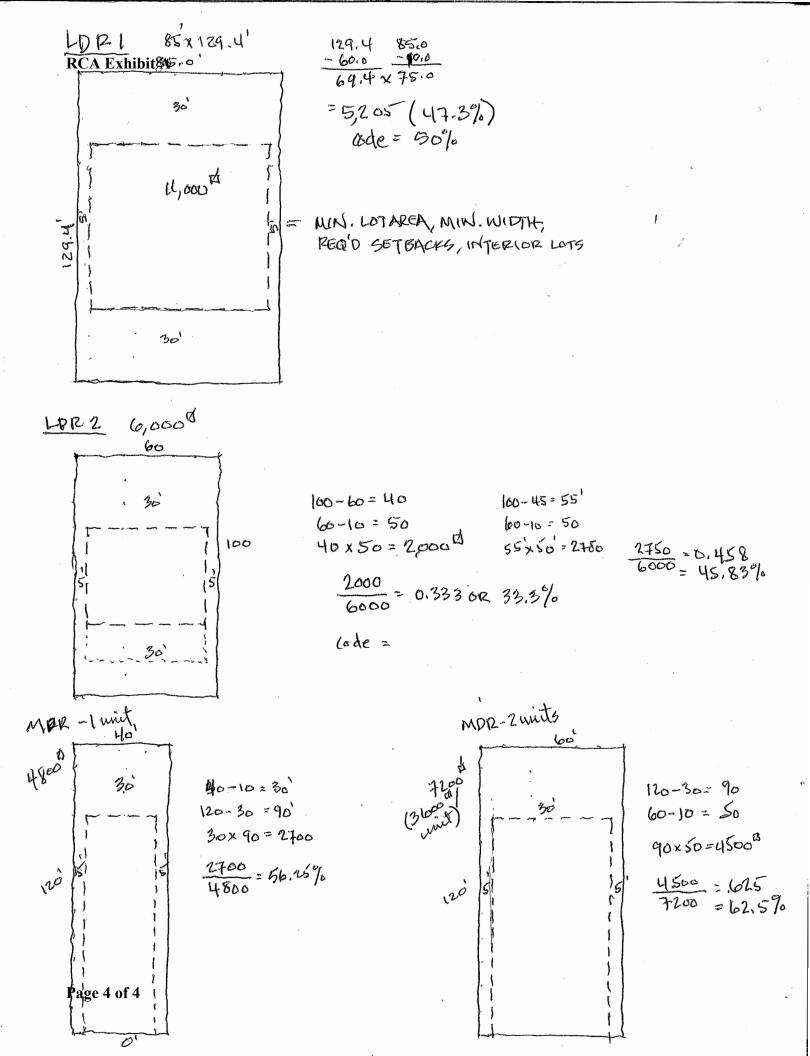

- a. PROJECT FILE 0017, Amendment 13
- 2 Request by the City of Roseville to amend City Code, Chapter 1004 (Residential Districts) to revise
- 3 regulations pertaining to the quantity of built improvements allowed on properties in the LDR-2
- 4 Zoning District
- 5 Chair Boguszewski opened the public hearing for Planning File 160928 at approximately 8:09 p.m.
- 6 Senior Planner Bryan Lloyd briefly introduced this request for text amendments based on further City
- 7 Council direction and previous Planning Commission action and staff recommendations. Mr. Lloyd
- 8 referenced meeting minutes to inform that direction; and reduction in the overall allowable improvement
- general area from the recommended 70% to 50% by the City Council for LDR-2 zoning district designations. Mr.
- 10 Lloyd reviewed the definition of "improvement area" including all areas built on a property with some
- 11 counting toward impervious coverage and others not as detailed in the staff report. Mr. Lloyd further
- 12 reviewed zoning code limitations on the portion of a lot that could be built on and variables between LDR-
- 13 1 and LDR-2 based on recognizing minimum lot sizes and constraints on the developable portion of those
- 14 lots and market conditions.
- Mr. Lloyd advised that in staff's research, the 2010 adjustments made to the zoning code regulating
- impervious surfaces and improvement areas were intended to provide some flexibility in calculations, and
- therefore LDR-1 and LDR-2 districts were respectively defined at 50% and 70% as reasonable. Also, Mr.
- Lloyd pointed out that later a similar flexible calculation had been applied for MDR designations at 65%,
- somewhat smaller than the 70% for LDR-2 designations.
- 20 Mr. Lloyd clarified that the idea was that as single-family lot sizes got smaller in LDR-2 and MDR-2, the
- 21 allowance can increase; but if LDR-1 is at that end of the range at 50% and LDR-2 at the middle of that
- range; keeping the continuum in place, staff then proposed 60% versus 70% for LDR-2 given lot
- 23 similarities for MDR versus LDR-1. Therefore, Mr. Lloyd referenced the fairly simple amendment
- 24 proposed by staff in response to the most recent City Council direction, as shown in the draft ordinance
- 25 (RPCA Attachment B).
- 26 Member Bull asked if this would produce any properties in the city now becoming nonconforming.
- Mr. Lloyd agreed that it probably would, noting that there are some LDR parcels in the city that have been
- in existence for a long time; and with the latest zoning code amended in 2010 and now applied to
- 29 properties meeting those development parameters (e.g. two-family homes or duplexes) or having a
- density parameter for LDR districts, some of those were nearly 100% imperviously covered based on the
- development put together when constructed, that were at the time legal. Even at 70% coverage, Mr. Lloyd
- 32 noted some were or would be nonconforming if a smaller portion of the improvement area was now
- 33 applied. However, Mr. Lloyd noted it was equally true that the city hadn't received any permits for
- expansions for any of those properties for many years even with the current LDR-2 district in place.
- 35 However, Mr. Lloyd advised that no one was going to have a harder time with future proposals with this
- amendment than they would have under today's city code provisions.
- 37 Member Bull stated his concern was with imposing hardships on residents seeking to improve their
- 38 properties.
- 39 Mr. Lloyd clarified that in general, this amendment would apply to new versus existing developments.
- 40 Member Daire asked staff to display a sketch he had created based on his interpretation of what this
- 41 amendment would mean to various zoning designations for LDR-1, LDR-2 and MDR minimum lot sizes
- 42 and total buildable or impervious areas. Member Daire reviewed various calculations and required
- 43 setback scenario for each property type based on impervious surfaces and improvement areas, all toward
- 44 addressing implications for involvement of total lot area.
- 45 Using Member Daire's sketch, Mr. Lloyd reviewed the implications from staff's perspective, opining that
- those setbacks as drawn are mostly correct, but needed to be applied to the principle structure (e.g.
- 47 house and attached garage) and available parameters within which to build. Mr. Lloyd further clarified that
- 48 an unenclosed porch, even if encroaching into the front vard setback was fine as it was not considered to
- 49 be an impervious surface, and similarly a detached storage shed or garage as accessory structures or
- decks without a roof and not enclosed. Therefore, Mr. Lloyd noted there was no direct relationship
- 51 between the size of a lot and principle structure's buildable area and the improvement areas as defined in

RCA Exhibit A

- 52 Attachment B, Item C. At the request of Member Daire, Mr. Lloyd confirmed that included driveways and
- 53 turnarounds as well.
- 54 At the request of Chair Boguszewski, and with a mixture of examples provided for impervious coverage
- 55 considerations, Mr. Lloyd further clarified that all impervious coverage was subject to the limits of the
- overall improvement area. Mr. Lloyd noted that while there was no intentional relationship between the
- 57 total area of all developments on a site with the overall lot size, they could coincide depending on the
- 58 specific situation.
- 59 Chair Boguszewski summarized, with concurrence by Mr. Lloyd, that it was about the improvement area,
- 60 not the impervious area.
- Pm Attachment B, Mr. Lloyd pointed out the proposed standards for LDR properties but further reduced
- and adjusted for properties within a Wetland Management District.
- 63 Mr. Lloyd noted that since applicable setback lines are different for what ended up built on a given
- 64 property, all of which could be different, there was no real way to capture how development and setback
- 65 constraints could be affected and therefore addressing how best to set impervious allowances; and also
- depending on how dense a given development was to be.
- 67 Chair Boguszewski led a discussion on City Council direction to staff and request for further review and
- deliberation by the Planning Commission based on the City Council's most recent discussions. Individual
- 69 Commissioners addressed potential impervious coverage percentages to accommodate reasonable
- 70 terms of scale and lot sizes.
- 71 Chair Boguszewski opined that he considered 50% coverage for LDR-2 enough and found 60% less
- 72 desirable.
- 73 Member Kimble questioned how, as communities and lifestyles change, how these proposed changes
- 74 applied with other communities and their best practices for use as bench marks to determine if these
- 75 percentages are appropriate.
- 76 Mr. Lloyd advised that staff had looked at several neighboring communities and their impervious
- coverage limits for LDR-2, and had also specifically asked questions at the time about raising maximum
- 78 coverage. However, Mr. Lloyd noted the difficulties in putting together a cohesive picture of those
- 79 comparisons, as lot sizes tended to be much smaller in other communities as well as how existing
- 80 construction is regulated. Mr. Lloyd noted that some did have impervious coverage limits, some for the
- 81 principle structure (e.g. home) but not other impervious surface coverage restrictions, making it difficult to
- 82 get an across-the-board picture for the total amount of building allowed on a site and how it was
- 83 regulated.
- Member Daire noted his sketches didn't take into consideration turnarounds, now that he understood they
- were considered improvements, even though sidewalks, driveways and decks may or may not be.
- 86 Therefore, Member Daire admitted he was now beginning to understand the distinction between setbacks
- and actual improvement area classification.
- 88 Mr. Lloyd noted that, even if the improvement area for a particular development or lot size filled up the
- 89 space in setback boundaries, it didn't necessarily mean all of those improvements would be located in a
- 90 block in the middle of the property, but could stretch out on another portion of the site.
- 91 Chair Boguszewski cited other examples, using Member Daire's sketch, opining his opinion had been
- 92 swayed to now consider that 60% for LDR-2 may be enable a reasonable development on a smaller LDR-
- 2 designated site; with these sketches guiding his revised opinion, since he was previously missing out on
- the mathematical and/or geometric context. Chair Boguszewski thanked Member Daire, as a past City of
- 95 Minneapolis City Planner for adding this dimension to the discussion, and asked staff to include a copy of
- 96 Member Daire's diagram as an attachment moving forward to the City Council's deliberation, attached
- 97 hereto and made a part hereof.
- As stated, Chair Boguszewski revised his comfort level to 60%, but no higher; unless it proved contrary to
- 99 the spirit of overdevelopment and retention of green space.

RCA Exhibit A

- Member Gitzen agreed that 60% be the maximum, and even though he could define no hard numbers for
- that rationale between 50% and 60%, all considered subjective to him, he opined that 50% was too low
- and he thought 560% was more accurate. Member Gitzen opined that this wasn't a math problem that
- could be solved based on a particular comfort level, but stated that he didn't' want to limit people desiring
- to build.
- Member Murphy echoed the 60% as reasonable and opined that a result of supporting something lower
- than that might confine some desired improvements, even though he agreed it was a subjective area, but
- reiterating that he found the 60% to be his sweet spot.
- Member Bull referenced earlier action at tonight's meeting where the Commission had chosen to be more
- restrictive on the Conditional Use process. However, if the Commission sets this at 50% to 60% on an
- individual basis, Member Bull asked if that would require a property owner to apply for a Variance in some
- 111 instances.
- 112 Mr. Lloyd confirmed that could be the case. However, in the context of Variances versus Conditional
- Uses, in particular with new development, Mr. Lloyd noted an existing property coming forward for a
- Variance may be based on something that seemed adequate for development in the 1950's no longer
- met household needs. Therefore, Mr. Lloyd opined that likewise someone with a new development would
- be in that same subjective territory of limits that were overly restrictive now and seeking adequate
- development on site based on today's market conditions and what would work for today's family and
- lifestyles. Mr. Lloyd opined that may be not different, but within a different context.
- 119 Chair Boguszewski opined that this was perfect fodder for Variance Board consideration and if a need or
- hardship is identified under specific situations.
- 121 Chair Boguszewski closed the public hearing at 8:30 p.m.; no one spoke for or against.
- 122 MOTION
- Bull moved, seconded by Member Gitzen to recommend to the City Council APPROVAL of the
- draft ordinance as presented by staff (RPCA Attachment B) as presented by staff and
- incorporating the proposed zoning text amendment, based on the comments and findings of the

2	AN ORDINANCE AMENDING IMPROVEMENT AREA REGULATIONS OF CHAPTER 1004
3	(RESIDENTIAL DISTRICTS) OF TITLE 10 "ZONING CODE" OF THE ROSEVILLE CITY
4	CODE
5	THE CITY OF ROSEVILLE ORDAINS:
6	SECTION 1. Purpose: The Roseville City Code is hereby amended to reduce the Improvement
7	Area limit in the LDR-2 District.
8	SECTION 2. Section 1004.09 (Low-Density Residential-2) is hereby amended as follows:
9	C. Improvement Area: Improvement area, including paved surfaces, the footprints of principal and
10	accessory buildings, and other structures like decks, pergolas, pools, etc., shall be limited to 70% 60%
11	of the parcel area. The purpose of this overall improvement area limit is to allow for rather liberal

REQUEST FOR COUNCIL ACTION

Date: 12/05/16 Item No.: 10.b City Manager Approval Department Approval fam / Truger Ctton K. mill Consider Changes to City Code Chapter 314.05: the 2017 Fee Schedule Item Description: **BACKGROUND** Each year the City Council is asked to adopt a Fee Schedule which establishes the fees and charges for service for the City's regulatory functions. The presence of a fee schedule allows regulatory-type fees to be easily identified in one document, as opposed to being scattered throughout City Code. In addition, a fee schedule adopted on an annual basis provides the Council the opportunity to review fees for services in a comprehensive manner. Over the past several months, Staff has reviewed the direct and indirect costs of the City's regulatory functions, to determine whether fee adjustments are necessary or if new fees should be established to better define the cost of specific services. Based on this analysis, Staff recommends adjustments to the following existing fees: ☐ General Business Licenses & Permit Fees (various) ■ Building Permit & Plan Review Fees (*various*) ☐ Miscellaneous Community Development Fees (various) ■ Park Dedication Fee Staff is also recommending the establishment of several new fees. They include: ☐ Private hydrant inspections: \$50-\$100+ (PW Dept.) □ Stormwater impact fee (non-residential): \$22.50/cubic foot (PW Dept.) □ Sump pump waiver fee: \$50 (PW Dept.) □ Sump pump surcharge fee: \$50 (PW Dept.) ☐ Curb stop turn on/turn off: \$50 (PW Dept.) ☐ Erosion control inspection permit-shore land district: \$300 (PW Dept.) ☐ Erosion control inspection permit-residential remodel: \$300 (PW Dept.) ☐ Erosion control inspection permit-permit renewal: \$150 (PW Dept.) ☐ Erosion control escrow fee-residential remodel: \$1,000 (PW Dept.) ☐ Fire plan review fee: varied amount (Fire Dept.) ☐ Rental registration late renewal fee: \$35 (CD Dept.) □ Vacant building registration fee: \$50-75 (CD Dept.) ■ Residential property improvement fee (driveway/shed): \$75 (CD Dept.)

CITY OF ROSEVILLE ORDINANCE NO.

AN ORDINANCE AMENDING CHAPTER 314.05, FEE SCHEDULE ADOPTING THE 2017 FEE SCHEDULE

THE CITY OF ROSEVILLE HEREBY ORDAINS:

SECTION 1. Purpose. The City of Roseville annually adopts a Fee Schedule which establishes the fees and charges for service for the City's regulatory functions. The presence of a fee schedule allows regulatory-type fees to be easily identified in one document, as opposed to being scattered throughout City Code. In addition, a fee schedule adopted on an annual basis provides the City Council the opportunity to review fees for services in a comprehensive manner.

SECTION 2. Other Fee References

By enacting this ordinance, all fee amounts previously established and contained herein are hereby amended as submitted.

SECTION 3. Authority

The authority to enact the fees identified herein is established by City Code.

SECTION 4. Penalty

Failure to pay the fees identified herein is subject to penalties and interest as established by City Code.

SECTION 5. Fee Schedule

The 2017 Fee Schedule is as shown in Exhibit A.

SECTION 6. Effective Date. This ordinance shall be effective upon adoption and publication.

Passed this 5th day of December, 2016.

Building Permit and Plan Review Fees

City Code Sections; 307, 801, 802, 901, 1014. ** All permits, licenses, fees, & fines are subject to a technology fee.

Building Permit Fee – Community Development

Permit fee to be based on job cost valuation. The determination of value or valuation shall be made by the building official. The value to be used in computing the building permit and building plan review fees shall be the total of all construction work for which the permit is issued, as well as all finish work, painting, roofing, electrical, plumbing, heating, air conditioning, elevators, fire-extinguishing systems and any other permanent equipment.

Plan Review Fee:

When a building permit is required and a plan is required to be submitted, a plan checking fee shall be paid. Plan checking fees for all buildings shall be sixty five percent (65%) of the building permit fee as set forth in Section 901.06 of this chapter, except as modified in M.S.B.C. Section 1300. (Ord. 1110, 4-13-1992)

The plan review fees specified are separate fees from the permit fees and are in addition to the permit fees. When submittal documents are incomplete or changed so as to require additional plan review or when the project involves deferred submittal items an additional plan review fee shall be charged.

Expiration of plan review:

Applications for which no permit is issued within 180 days following the date of application shall expire by limitation, and plans and other data submitted for review may thereafter be returned to the applicant or destroyed by the building official.

The building official may extend the time for action by the applicant for a period not exceeding 180 days on request by the applicant showing that circumstances beyond the control of the applicant have prevented action from being taken. No application shall be extended more than once. In order to renew action on an application after expiration, the applicant shall resubmit plans and pay a new plan review fee.

Refund Policy

The building official may authorize refunding of any fee paid hereunder pursuant to the established fee policy of the Community Development department.

Investigation Fee: Work without a Permit

Whenever any work for which a permit is required from the city has been commenced without first obtaining said permit, a special investigation shall be made before a permit may be issued for such work.

An investigation fee, in addition to the permit fee, shall be collected whether or not a permit is then or subsequently issued. The investigation fee shall be equal to the amount of the permit fee required by this Fee Schedule. The payment of such investigation fee shall not exempt any person from compliance with all other provisions of State and City Code nor from any penalty prescribed by law.

Item Description: Request to Amend City Code Chapter 304: Lawful Gambling

BACKGROUND

In a letter dated October 4, 2016 (*Attachment B*), the Roseville Area Youth Hockey Association (RAYHA) issued a formal request for the City to consider amending City Code Chapter 304: Lawful Gambling; to allow local non-profit organizations to have up to <u>three</u> separate locations within city limits to conduct lawful gambling activities. The current Code allows for only two locations.

5 to cond

The City Council held an initial discussion on RAYHA's request on October 24th but did not take any action. The Council did ask Staff to address two general inquiries at a subsequent meeting; whether an establishment (restaurant) could have <u>more</u> than one organization conducting lawful gambling activities, and a more detailed list of advantages and disadvantages of making the change.

10 11 12

9

Staff has confirmed that multiple organizations can conduct lawful gambling activities at the same establishment. However, there are practical limitations that would likely limit the number of organizations sharing a particular site.

14 15

17

13

Perhaps the larger issue of enacting the requested change are the potential benefits and impacts to Roseville-based organizations. RAYHA largely addressed the benefits to their organization at the October 24th meeting when they identified the following:

18 19 20

21

22

- ☐ Greater profit levels and subsequent lower costs for their members
- All profits are spent locally
- ☐ Profits at the Bingo Hall are declining, and a third location would help offset this impact

23 24

25

Staff would add that RAYHA is experienced in lawful gambling activities and the regulatory requirements that accompany it. They are also well-organized, which leaves them favorably positioned to replicate their success at a third location.

262728

29

The General Manager of Joe Senser's also spoke to the advantages to his establishment of having the ordinance change enacted. Specifically, an expected increase in customers that would come from RAYHA as opposed to their current tenant (MN Brass).

The disadvantages to enacting the proposed ordinance change are more conceptual. As noted at the October 24th meeting the original purpose of limiting the number of locations was to ensure that no single organization would receive a disproportionate share of the lawful gambling income that might be derived within the community.

Allowing an organization to have multiple sites could very well limit prospective opportunities for other Roseville-based organizations. Especially considering that the Code further established a maximum of eight lawful gambling locations in the city. However, in the absence of other organizations stepping forward to conduct site-specific lawful gambling activities, the negative impact remains conceptual. Should the Council enact the requested ordinance change, it could mitigate this impact in the future by simply changing the self-imposed limit of allowing only eight locations.

Summary of Lawful Gambling Proceeds

In an effort to provide the Council with a broader perspective on the amount of lawful gambling monies being raised, Staff has prepared the following tables depicting the proceeds (income) from 2015 and 2011 respectively.

		2015	% of
Organization	<u>Location</u>	<u>Proceeds</u>	<u>Total</u>
B-Dale Club	B-Dale Club	\$ 240,815	1.7%
MN Brass	Joe Senser's	530,854	3.8%
Destination Education	Ol' Mexico	1,046,849	7.5%
VFW	VFW	1,309,777	9.4%
American Legion	American Legion	1,455,712	10.4%
Midway Speedskating	Bingo Hall	3,488,256	24.9%
RAYHA	Bingo Hall, Grumpy's	 5,911,963	42.3%
		\$ 13,984,226	

		2011	% of
Organization	Location	<u>Proceeds</u>	<u>Total</u>
B-Dale Club	B-Dale Club	\$ 147,965	1.4%
NSYA	Ol' Mexico	238,512	2.3%
MN Brass	Joe Senser's	412,535	4.0%
VFW	VFW	1,069,502	10.4%
American Legion	American Legion	1,395,851	13.6%
Midway Speedskating	Bingo Hall	3,398,655	33.0%
RAYHA	Bingo Hall	 3,638,250	35.3%
		\$ 10 301 270	

As shown in the tables, total lawful gambling proceeds rose from \$10.3 million in 2011 to \$14.0 million in 2015, an increase of 36%. It should be noted that the majority of these proceeds are used to pay for prizes, federal state and local taxes, rent, compensation, etc. On average, only about 6% of all proceeds are retained for organizational programs.

City Staff will be available during the meeting to address any Council inquiries. An ordinance is attached in the event the Council wants to enact the requested change.

CITY OF ROSEVILLE ORDINANCE NO.____

AN ORDINANCE AMENDING TITLE THREE CHAPTER 304

TO ALLOW ROSEVILLE-BASED ORGANIZATIONS TO CONDUCT LAWFUL-GAMBLING ACTIVITIES AT UP TO THREE LOCATIONS WITHIN CITY LIMITS

THE CITY OF ROSEVILLE ORDAINS:

SECTION 1: Title Three, Chapter 304 of the Roseville City Code is amended to read as follows:

304.02: NUMBER OF LICENSES AND PERMITS:

A. No organization licensed pursuant to Minnesota Statutes Chapter 349 may conduct lawful gambling at more than two three locations within the city, except any organization that does not conduct bingo and has prior to April 1, 1992, operated lawfully at more than one location, may continue to operate at the locations licensed as of that date. (Ord. 1138, 4-25-1994) (Ord. 1412, 7-11-2011)

SECTION 2: Effective date. This ordinance shall take effect upon its passage and publication.

CITY OF ROSEVILLE ORDINANCE SUMMARY NO.

A SUMMARY OF AN ORDINANCE AMENDING TITLE THREE, CHAPTER 304

The following is the official summary of Ordinance No. _____ approved by the City Council of the City of Roseville on December 5, 2016.

AN ORDINANCE AMENDING TITLE THREE, CHAPTER 304

304.02 is amended to allow Roseville-based organizations to conduct lawful-gambling activities at up to three locations within City limits.

A printed copy of this ordinance is available for inspection by any person during regular office hours in the office of the City Manager at Roseville City Hall, 2660 Civic Center Drive, Roseville MN 55113. A copy of this ordinance can also be found on the web page of the City of Roseville (www.cityofroseville.com).

Attest: Patrick Trudgeon, City Manager

October 4, 2016

The Honorable Dan Roe, Mayor of Roseville and Members of the Roseville City Council Roseville City Hall 2660 Civic Center Drive Roseville, MN 55113

Dear Mayor Roe and Members of the City Council:

We are writing to respectfully request a change to City Code Chapter 304, Section 304.02, Paragraph A. This paragraph currently reads:

No organization licensed pursuant to Minnesota Statutes Chapter 349 may conduct lawful gambling at more than two locations within the city, except any organization that does not conduct bingo and has prior to April 1, 1992, operated lawfully at more than one location, may continue to operate at the locations licensed as of that date. (Ord. 1138, 4-25-1994) (Ord. 1412, 7-11-2011)

We would like to request that the number of locations where an organization is allowed to conduct lawful gambling be changed to three.

As you are aware, The City of Roseville Rec department does not offer hockey as a rec sport opportunity for our youth. The Roseville Area Youth Hockey Association (RAYHA) directly benefits the City of Roseville. We are a true Roseville-based charity with the majority of our donations being spent directly in the City of Roseville.

As a result of our gambling operations RAYHA has been able to introduce many outstanding programs including the 1st Skate Program. http://www.rosevillehockey.org/page/show/2047240-1st-skate-program This program is specifically designed for kids & families who are unfamiliar with (or completely new to) hockey, and as we know the demographics of the City have changed dramatically in the past 5 years. In this program, RAYHA covers all the basics, and keeps the focus on FUN! The cost is only \$25 and each player is provided a set of equipment to use during the program. We have 60 kids signed up this year.

In addition, RAYHA provides an equipment loaner program to those in need of equipment and also provide scholarships where needed. In addition with the help of Matt Johnson, RAYHA started utilizing the outdoor rinks as a way of containing costs and introducing families to Roseville's great park system.

We feel this change would be a great benefit for all as it would help ensure that any money earned in Roseville would stay in our community and help the people of our community.

Sincerely,

April Borash, Gambling Manager Roseville Area Youth Hockey Association

CHAPTER 304 LAWFUL GAMBLING

SECTION:

304.01:	Lawful Gambling Permitted
304.02:	Number of Licenses and Permits
304.03:	Approval of Licenses
304.04:	Contributions
304.05:	Law Enforcement and Administrative Costs
304.06:	Gambling Exempt from State Licensing Requirements
304.07:	Video Games of Chance

304.01: LAWFUL GAMBLING PERMITTED:

Lawful gambling as regulated in Minnesota Statutes Chapter 349 is permitted in the City if the organization conducting such activities meets the following criteria:

- A. Is licensed by the Minnesota Gambling Control Board.
- B. Is a tax exempt organization pursuant to 501(c) of the Internal Revenue Code or has a 501(c) application pending with the Internal Revenue Service.
- C. Maintains an address within the City.
- D. Has been in existence at least three consecutive years prior to the date it begins its gambling operations.
- E. Complies with all of the provisions of this Chapter. (Ord. 1114, 8-24-1992)

304.02: NUMBER OF LICENSES AND PERMITS:

- A. No organization licensed pursuant to Minnesota Statutes Chapter 349 may conduct lawful gambling at more than two locations within the city, except any organization that does not conduct bingo and has prior to April 1, 1992, operated lawfully at more than one location, may continue to operate at the locations licensed as of that date. (Ord. 1138, 4-25-1994) (Ord. 1412, 7-11-2011)
- B. The maximum number of bingo hall licenses and locations issued pursuant to Minnesota Statutes Chapter 349 within the City shall be one. Once the bingo hall license is issued by the City, it shall be limited to the location and to the owner specified on the license. Any change of location or ownership without the approval of the City shall result in the termination of the license. (Ord. 1244, 12-18-2000) (Ord. 1412, 7-11-2011)
- C. The maximum number of licensees conducting gambling at the bingo hall license location described in subsection B of this section shall be five.
- D. The maximum number of premises permits issued pursuant to Minnesota Statutes Chapter 349 in addition to one bingo hall license described in subsection A of this section shall be eight. Except as provided in subsection E of this section the gambling allowed at those locations shall be confined to pull-tabs, paddlewheels, raffles, and tipboards as defined and

- regulated under Minnesota Statutes Chapter 349. (Ord. 1412, 7-11-2011)
- E. An organization in existence and qualified under section 501(c)7 or section 501(c)19 of the internal revenue code and which had its principal place of business or place of conducting meetings in the City prior to and continuing since 1980 may be granted a premises permit to conduct all lawful gambling operations on their own premises.

 Such organizations are not eligible for a bingo hall license as provided in Minnesota statutes section 349.164 and may conduct gambling activities or bingo only on their own property. (Ord. 1138, 4-25-1994) (Ord. 1412, 7-11-2011)

304.03: APPROVAL OF LICENSES:

- A. Required Documentation: Any organization applying to the Gambling Control Board for a premises permit, bingo hall license or for the renewal of the same to conduct lawful gambling in the city shall, within ten days of making such application, file the following with the City:
 - 1. Application: A duplicate copy of the Gambling Control Board application along with all supporting documents submitted to the Gambling Control Board.
 - 2. Corporate Documents: A copy of the Articles of Incorporation and Bylaws of the organization.
 - 3. Officers and Directors: The names and addresses of all officers and directors of the organization.
 - 4. Written Procedures: A copy of the organization's written procedures and/or criteria for distribution of funds derived from lawful gambling, its standardized application form and its written fiscal control procedures.
 - 5. IRS Exempt Letter: A copy of the Internal Revenue Service's tax exempt letter.
 - 6. Felony Conviction: Confirmation that no employee or principal officer of the organization has been convicted of a felony. No employee or organization whose principal officers or employees have a felony conviction shall be employed or retained in a gambling-related activity by any permitted organization.
 - 7. Investigation Reports: A copy of all records, all testimony or other information submitted to the
 - State of Minnesota or Federal Government as part of any previous or current investigation or inquiry on any matter related to gambling.
- B. Investigation: Upon receipt of the materials required by subsection A of this section, and not later than 60days from receipt of notice from the Gambling Control Board, City staff shall investigate the applicant and based upon said investigation, the City Council shall act on the application.
- C. Resolution: The action of the City Council to approve an application for a premises permit or bingo hall license within the city shall be by resolution. Failure to receive a majority affirmative vote of the City Council shall constitute a denial of the application.
- D. Additional Documents: Copies of any other reports or documents which are required to be subsequently filed by such organization with the Gambling Control Board, including monthly financial statements, shall be filed with the City within ten days of filing such materials with the Gambling Control Board.
- E. Compliance: to assure compliance with this Chapter, the City may require a premises permit holder or bingo hall licensee to provide copies of records as allowed under Minnesota Statutes. (Ord. 1327, 10-10-05)

Attachment C

- F. Suspension: Approval of a premises permit issued by the City under any part of this Chapter may be suspended by the City for violation of Chapter or revoked or any renewal delayed, for failure to meet the qualifications set out in subsection A or a willful violation of any part of this Chapter or a failure to comply, for any reason, with any provision, guarantee or claim made in an applicant's original license application to either the City or the State of Minnesota.
- G. Liability of City: No license or permit issued by the City grants the licensee a property right or entitlement to the license or permit. The City may not issue, renew nor revoke the license or permit for any reason and will not incur liability for any damages including, but not limited to, direct, consequential or incidental damages, deprivation of property, loss of income, loss of profits or loss of livelihood.
- H. Employment of Certified Public Accountant: All organizations conducting Bingo at the Bingo hall in the City shall use a certified public accounting firm for all accounting, bookkeeping and tax preparation services related directly to lawful gambling and charged as an allowable expense of the gambling operation. All agreements providing for such services shall be in writing and shall be submitted to the City as part of the application for review by the City to determine compliance with local and State regulations and laws. Any such agreements entered into or modified after issuance of a license or permit shall be filed with the City prior to the new agreement or modification becoming effective. The initial approval and the continuance of a license or permit are contingent upon such agreements complying with this Chapter and State statutes and regulations. (Ord. 1412, 7-11-2011)
- I. Management: All licensees and permittees in the City will assure continuous and active management of the gambling operation and will not delegate managerial responsibilities, will work continuously to operate in the most efficient manner to increase the amount of available lawful proceeds, will maintain the lowest possible costs and will encourage and use volunteers to the fullest extent possible. (Ord. 1114, 9-24-92)

304.04: CONTRIBUTIONS:

- A. Each organization conducting lawful gambling within the City shall contribute at least 10% of its net profits derived from lawful gambling in the City to a fund administered and regulated by the City. The City then shall make disbursements to the Roseville Community Fund, administered by the North Suburban Community Foundation, a Minnesota nonprofit corporation. This contribution shall be for the purposes defined in Minnesota Statutes Chapter 349. The City's directive to the Roseville Community Fund, administered by the North Suburban Community Foundation, as to the use of the funds shall be made at the time of the City's adoption of its annual budget or any amendments thereto. (Ord. 1327, 10-10-05) (Ord. 1412, 7-11-2011)
- B. Each organization conducting lawful gambling shall expend or contribute a minimum of 75% of its net profits from Roseville gambling sites by the end of each premises permit year. The remaining percentage may be carried over to the subsequent permit or license year. The City Council may grant a variance authorizing the organization to carry over more that 25% of all its net profits for expenditure in the subsequent permit or license year.
- C. In the event any organization contributes to the City any sum in excess of the 10% as required in subsection A above, said funds will be deposited and allocated to the Roseville Community Fund, as administered by the North Suburban Community Foundation. In the event the Roseville Community Fund, as administered by the North Suburban Community

Foundation is in any way unable to receive the allocated funds as set forth in subsection A above, the funds will be deposited in an interest bearing escrow account in a bank located in the City and allocated to uses by further order of the City Council. (Ord. 1114, 9-24-92) (Ord. 1412, 7-11-2011)

304.05: LAW ENFORCEMENT AND ADMINISTRATIVE COSTS:

All organizations conducting lawful gambling within the City shall, within 30days of the end of each month, pay to the City an amount equal to 3% of the gross receipts from lawful gambling conducted in the City in such month, less amounts actually paid for prizes, to cover the City's law enforcement and administrative costs in regulating lawful gambling. (Ord. 1114, 9-24-92)

304.06: GAMBLING EXEMPT FROM STATE LICENSING REQUIREMENTS:

- A. Organizations which conduct lawful gambling which is exempt from State gambling licensing requirements may conduct such gambling within the City upon receipt of a permit from the City, except this requirement does not apply to door prizes or raffles and bingo where total prizes are less than \$1,500 in a calendar year. (Ord. 1327, 10-10-05)
- B. An application for such a permit, along with a fee as prescribed by the Fee Schedule, shall be made at least 30 days prior to the date such gambling is to be conducted. The application shall contain the following:
 - 1. The name of the organization.
 - 2. The address of the organization.
 - 3. The place where such gambling will occur.
 - 4. The total prizes to be awarded. (Ord. 1327, 10-10-05)
- C. Within 30 days of filing any reports with the Gambling Control Board, the organization shall file a copy of such reports with the City.
- D. The provisions relating to law enforcement and administrative costs set forth in Section 304.05 shall not apply to gambling permitted pursuant to this Section. All other provisions of this Chapter apply to such organizations. (Ord. 1114, 9-24-92)

304.07: VIDEO GAMES OF CHANCE:

"Video games of chance", as defined by Minnesota Statutes, are prohibited in the City. (Ord. 1114, 9-24-92)

Under City Code, a public hearing is required to consider approving liquor license renewals for the following calendar year. The City has received the following completed renewal applications for 2017:

- ❖ 3 Off Sale Intoxicating liquor licenses (maximum of 10 permitted under City Code)
- ❖ 9 On Sale Intoxicating liquor licenses
- ❖ 4 On Sale 3.2 Non-Intoxicating Malt Liquor licenses
- ❖ 1 Off Sale 3.2 Non-Intoxicating Malt Liquor licenses
- ❖ 3 Club liquor licenses
- ❖ 4 Wine only liquor licenses
- ❖ 1 Brewery Liquor Licenses

A detailed list of all liquor license renewals is included in *Attachment A*.

The following liquor establishments had liquor compliance failures during the previous 5 years:

Data	Establishment
Date 6/2012	B-Dale Club
10/2016	VFW

The Council has discretion to factor in these compliance failures in considering whether to renew a liquor license.

POLICY OBJECTIVE

The regulation of establishments that sell alcoholic beverages has been a long-standing practice by the State and the City.

FINANCIAL IMPACTS

- The revenue that is generated from the license fees is used to offset the cost of police compliance checks,
- background investigations, enforcement of liquor laws, and license administration.

26 STAFF RECOMMENDATION

- 27 All liquor license renewal applications have met Statutory and City Code requirements. Staff recommends
- approval pending background checks.

Item Description: Adopt a Final 2017 Tax Levy and Budget

BACKGROUND

State Statute requires all cities in excess of 2,500 in population, to adopt a final tax levy and budget by December 30th for the upcoming fiscal year. The final levy amount must not exceed the preliminary levy that was established in September. However, the Council has discretion in modifying the budget at any time.

6

At the September 12, 2016 City Council meeting, the Council adopted a 2017 preliminary, not-to-exceed tax levy and budget. A summary is presented below.

8 9 10

2017 Tax Levy & Levy Impact

The 2017 preliminary tax levy is \$19,991,170, an increase of \$1,046,240 or 5.52%. A summary of the increase is shown in the table below.

12 13

2016 Tax Levy	\$ 18,944,720
2017 Levy Reductions	
Supplies, materials, contractual services	\$ (193,855)
Personnel-related costs	(219,935)
Total Levy Reductions	\$ (413,790)
2017 Levy Additions	
Supplies, materials, contractual services	\$ 289,305
Employee cost-of-living-adjustment	263,000
Employee wage step increases	218,000
Employee position changes/reorg.	331,385
Capital replacements	225,000
Change in non-levy revenue sources (net)	133,550
Total Levy Additions	\$ 1,460,240
Net Levy Change	\$ 1,046,450
2017 Tax Levy	\$ 19,991,170
% Increase	5.52%

As shown above, the tax levy is scheduled to increase by 5.52% in 2017. For a median-valued home that experiences a 4.8% valuation increase (citywide average), the tax impact will be \$4.22 per month or an increase of 5.9%. This excludes the impact from the City's EDA levy.

A Summary of the 2017 Tax Levy by major category is presented below

2017 Proposed Tax Levy			\$ Increase	% Increase	
		<u>2016</u>	<u>2017</u>	(Decrease)	(Decrease)
Operations	\$	13,478,720	\$ 14,365,170	\$ 886,450	6.6%
Capital		2,136,000	2,296,000	160,000	7.5%
Debt		3,330,000	3,330,000	-	0.0%
Total	\$	18,944,720	\$ 19,991,170	\$ 1,046,450	5.5%

It's worth noting that the State of Minnesota provides a number of property tax relief programs that are designed to offset local tax increases. For 2015, eligibility for homeowners was capped at household incomes of \$107,930, while renters were eligible up to an income of \$58,490. Depending on household income, residents could potentially receive a partial refund of their increased taxes. This would effectively reduce the tax impacts noted above.

2017 Budget

 The 2017 Preliminary Budget as currently amended is \$52,035,685. The Budget for the <u>tax-supported</u> programs including capital replacements is \$29,342,290, an increase of \$596,800 or 2.1%.

Spending increases in the <u>tax-supported</u> programs is detailed below.

2016 Operating Budget	\$ 28,745,490
2017 Budget Reductions	
Supplies, materials, contractual services	\$ (193,855
Personnel-related costs	(219,935
Capital Replacements	(91,100
Total Budget Reductions	\$ (504,890
2017 Budget Additions	
Supplies, materials, contractual services	\$ 289,305
Employee cost-of-living-adjustment	263,000
Employee wage step increases	218,000
Employee position changes/reorg.	331,385
Total Budget Additions	\$ 1,101,690
Net Budget Change	\$ 596,800
2017 Operating Budget	\$ 29,342,290
% Increase	2.08%

It should be noted that the 2017 Operating Budget for the tax-supported programs continues to rely on \$375,000 in cash reserves from the General Fund.

- 42 **POLICY OBJECTIVE**
- Adopting a preliminary budget and tax levy is required under Mn State Statutes.
- 44 FINANCIAL IMPACTS
- See above.

Re: Projected 2016 Cash Reserve Levels

Background

In preparation for finalizing the 2017 final budget, the Council has asked to have the most recent projection of the 2016 Budget results to gain a greater understanding of the City's current financial condition and the resources available moving forward.

As noted in previous years there are a number of challenges and pitfalls associated with financial projections – even when done towards the end of the fiscal year. Millions of dollars in transactions take place in the final months including purchases that are delayed throughout the year until it becomes more certain that budget monies would be available. Expenditures in the months of November and December in particular can fluctuate significantly. In addition, we won't know what our final <u>2016</u> property tax collections will be until mid-January of 2017.

That being said, we can analyze general year-to-date revenue and expenditure trends and extrapolate that information to arrive at year-end projections. It should be noted that this approach, although generally sound, does carry a certain margin of error. The 2016 budget-to-actual results presented below is based on the most recent trend analysis for the following selected operating funds:

General Fund
Parks & Recreation Fund
License Center Fund
Communications Fund

Each of these funds are presented separately below.

General Fund

The 2016 General Fund's projected results are as follows:

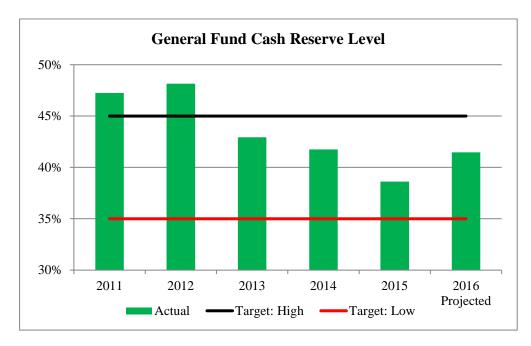

General Fund	2016	2016
	<u>Budget</u>	Projected
Revenue	\$ 13,763,635	\$ 15,610,960
Expenditures	14,139,135	13,887,010
Surplus (Deficit)	\$ (375,500)	\$ 1,723,951

As shown in the table, the General Fund is projected to realize an operating surplus of approximately \$1,723,000 as compared to an originally forecasted deficit.

The significant turnaround is the result of several large one-time occurrences. The most prominent contributor is the one-time collection of \$1.1 million in excess tax increment due to the recent closure of a tax increment district. In previous discussions, Staff has recommended that these excess TIF monies be earmarked for Building Replacement Fund and public improvements near the Snelling/Lydia/Lincoln Drive area.

A second prominent factor is the collection of \$356,000 in property tax valuation petition reversals filed last year. These monies were withheld from the City's property tax collections in 2015 pending the outcome of the petitions. Additional revenues were also collected from contractual engineering services provided to the City of Falcon Heights as well as right-of-way and erosion control permits.

Based on these results, the General Fund's 12/31/16 unrestricted cash reserve level, <u>excluding</u> the \$1.1 million in excess TIF is projected to be as follows:

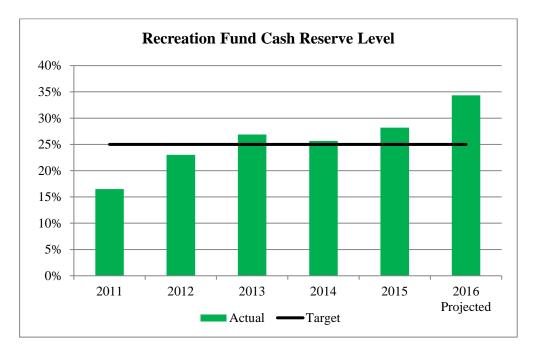

The General Fund's 12/31/16 cash reserve level is projected to be approximately \$6.1 million which is within the targeted range. However, the 2017 Recommended Budget calls for the use of \$405,000 in cash reserves.

Parks & Recreation Fund

The 2016 Parks & Recreation Fund's projected results are as follows:

Recreation Fund	2016	2016
	<u>Budget</u>	Projected
Revenue	\$ 4,551,710	\$ 4,489,389
Expenditures	4,551,710	4,164,389
Surplus (Deficit)	\$ -	\$ 325,000

The Parks & Recreation Fund is projected to realize an operating surplus of \$325,000. This is primarily due to lower-than expected operating costs across most major program areas. Based on these results, the Recreation Fund's 12/31/16 unrestricted cash reserve level is projected to be as follows:

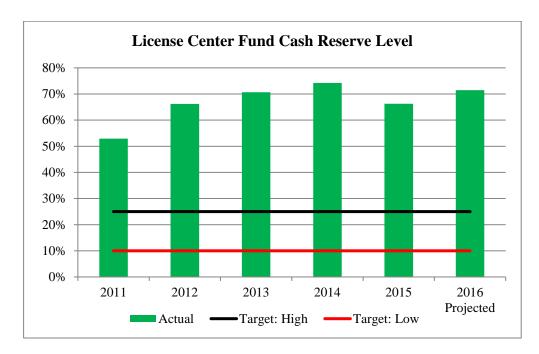

The Parks & Recreation Fund's 12/31/16 cash reserve level is projected to be approximately \$1.6 million or 9% above the targeted range.

License Center Fund

The 2016 License Center Fund's projected results are as follows:

License Center Fund	2016	2016
	<u>Budget</u>	Projected
Revenue	\$ 1,603,500	\$ 1,761,332
Expenditures	 1,877,625	1,737,425
Surplus (Deficit)	\$ (274,125)	\$ 23,907

The License Center is projected to realize an operating surplus of \$23,907. This results from significantly higher revenues than expected and reduced personnel, supply, and other costs. Based on these results, the License Center's 12/31/16 unrestricted cash reserve level is projected to be as follows:

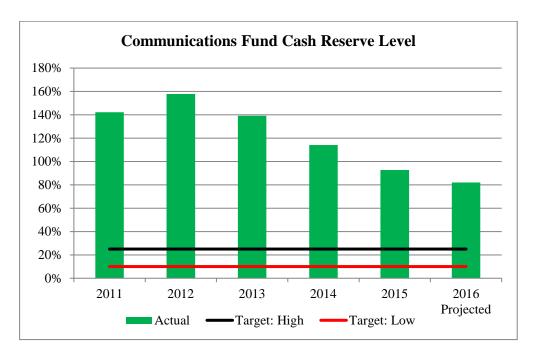

The License Center Fund's 12/31/16 cash reserve level is projected to be approximately \$1.3 million which is within the targeted level needed to sustain day-to-day operations. However, a significant portion of this cash is tentatively earmarked for the financing of a new or renovated facility.

Communications Fund

The 2016 Communications Fund's projected results are as follows:

Communications Fund	2016	2016
	<u>Budget</u>	Projected
Revenue	\$ 480,000	\$ 441,536
Expenditures	506,275	481,715
Surplus (Deficit)	\$ (26,275)	\$ (40,179)

The Communications Fund is projected to realize an operating deficit of \$40,179. The deficit was greater than expected primarily due to lower cable franchise fees. Based on these results, the Communications Fund's 12/31/16 unrestricted cash reserve level is projected to be as follows:

The Communications Fund's 12/31/16 cash reserve level is projected to be approximately \$429,000 which is about 82% above the targeted range.

Under State Statutes, municipalities with an established Housing & Redevelopment Authority (HRA) or Economic Development Authority (EDA) are allowed to establish a separate property tax levy that is designated for housing and economic development purposes. The City of Roseville utilizes an EDA.

On September 12th, the City Council adopted a preliminary, not-to-exceed EDA levy of \$356,585. However, the Council must now adopt a final EDA levy to formally authorize it for 2017.

The following table summarizes the estimated tax impact on single-family residential homes, based on the EDA's recommended 2017 tax levy, tax base estimates provided by Ramsey County, and assuming a 4.8% increase in property valuation – the expected amount for a median valued home in Roseville.

Over the past several months, City Staff has been reviewing the City's utilities operations to determine whether customer rate adjustments are necessary for 2017. The analysis included a review of the City's water, sanitary sewer, storm drainage, and curbside recycling operations.

The information presented below includes an analysis of these operations, some historical water usage information, and a series of rate comparisons with peer communities. Each of these are presented in separate sections.

Operational Review

Staff's analysis of its utility operations included a review of the following:

- □ *Fixed* costs including personnel, supplies and maintenance, and other costs that are generally independent of the amount of water purchased or wastewater that is generated.
- □ *Variable* costs including the purchase of water from the City of St. Paul, water treatment costs paid to the Metropolitan Council, and recycling contractor costs paid to Eureka Recycling.
- □ Capital replacement costs.
- □ Customer counts and consumption patterns, rate structure, and rates.

Based on an analysis of these costs and customer consumption patterns, Staff is recommending a number of fee adjustments for 2017. The need for these adjustments are presented in greater detail below sections.

Based on Staff's recommendation, the estimated quarterly impact on a typical single-family home is shown in the following table.

Utility Rate In	npact: Singl	le Family Ho	me	
<u>Service</u>	<u>2016</u>	<u>2017</u>	\$ Increa	ase % Increase
Water - base fee	51.60	53.15	1.	55
Water - usage fee	33.75	33.75	-	
Sanitary Sewer - base fee	35.40	36.45	1.	05
Sanitary Sewer - usage fee	23.40	27.95	4.	55
Storm Sewer	12.35	12.95	0.	60
Recycling	5.60	6.50	0.	90
Total per Quarter	\$ 162.10	\$ 170.75	\$ 8.	65 5.33%
Avg. Water consumption (1,000 gals.)	15			
Avg. Sewer consumption (1,000 gals.)	13			

For 2017 a typical single-family home will pay an estimated \$170.75 per quarter, or \$56.92 per month. This is an increase of \$2.88 per month from 2016. More detailed information for each operating division can be found below.

Water Operations

The City's water operation provides City customers with safe potable water, as well as on-demand water pressure sufficient to meet the City's fire protection needs. The following table provides a summary of

the 2016 and 2017 (proposed) Budget excluding capital:

	2016	2017	\$ Increase	% Increase
	Budget	Budget	(Decrease)	(Decrease)
Revenues				
Customer Charges	\$7,487,750	\$7,100,000	\$ (387,750)	-5.2%
Interest Earnings	1,000	5,000	4,000	400.0%
Total	\$7,488,750	\$7,105,000	\$ (383,750)	-5.1%
Expenses				
Personnel Services	\$ 642,800	\$ 642,500	\$ (300)	0.0%
Supplies & Materials	82,100	88,200	6,100	7.4%
Other Services & Charges	5,793,850	5,565,750	(228,100)	-3.9%
Total	\$6,518,750	\$6,296,450	\$ (222,300)	-3.4%
Net Available for Capital **	\$ 970,000	\$ 808,550		
** Excludes \$592,000 in cash res	erves set aside	for water-relat	ed capital	

For 2017, overall *budgeted* revenues and expenditures are expected to decline significantly after adjusting for revised customer usage estimates. The revision affects both the 'Customer Charges' (revenue) and 'Other Services & Charges' (expenses). Costs associated with assigned personnel are expected to remain steady even after accommodating a 2.75% cost-of-living adjustment.

The single largest operating cost for the water operation is the purchase of wholesale water from the St. Paul Regional Water System (SPRWS). SPRWS Officials have informed us that there will be a 4.67% increase in the cost of purchasing wholesale water in 2017. However, Roseville's current customer usage rates have a sufficient cushion to accommodate this increase.

The revised 20-Year Capital Improvement Plan (CIP) identifies added infrastructure replacement costs

in the coming years which will require a 3.0% increase in the water base fee.

Sanitary Sewer Operations

The City maintains a sanitary sewer collection system to ensure the general public's health and general welfare. The following table provides a summary of the 2016 and 2017 (proposed) Budget excluding capital:

	2016	2017	\$ Increase	% Increase
	<u>Budget</u>	Budget	(Decrease)	(Decrease)
Revenues				
Customer Charges	\$5,032,745	\$5,040,000	\$ 7,255	0.1%
Interest Earnings	5,000	5,000	-	0.0%
Total	\$5,037,745	\$5,045,000	\$ 7,255	0.1%
Expenses				
Personnel Services	\$ 469,200	\$ 493,100	\$ 23,900	5.1%
Supplies & Materials	50,200	50,400	200	0.4%
Other Services & Charges	3,374,550	3,505,550	131,000	3.9%
Total	\$3,893,950	\$4,049,050	\$ 155,100	4.0%
Net Available for Capital **	\$1,143,795	\$ 995,950		
** Excludes \$205,000 in cash res	erves set aside	for sanitary se	wer-related cap	oital

For 2017, overall costs are expected to rise 4.0%. Costs associated with assigned personnel are expected to increase 5.1% which includes a 2.75% cost-of-living adjustment.

The single largest operating cost to the sanitary sewer operation is the wastewater treatment costs paid to the Metropolitan Council Environmental Services Division (MCES). The MCES has informed us that we can expect a 5.7% increase in wastewater treatment costs for 2017 despite having lower sewer flows. The increase is attributable to the MCES' higher infrastructure replacement costs which are shared amongst metro area customers. This will require a 19.4% increase in sewer *usage* fees for our sanitary sewer customers.

The revised 20-Year Capital Improvement Plan (CIP) identifies added infrastructure replacement costs in the coming years which will also require a 3.0% increase in the sanitary sewer *base* fee.

Storm Drainage Operations

The City provides for the management of storm water drainage to prevent flooding and pollution control, as well as the street sweeping program. The following table provides a summary of the 2016 and 2017 (proposed) Budget excluding capital:

	2016	2017	\$ Increase	% Increase
	<u>Budget</u>	Budget	(Decrease)	(Decrease)
Revenues				
Customer Charges	\$1,645,685	\$1,775,000	\$ 129,315	7.9%
Interest Earnings	35,000	20,000	(15,000)	-42.9%
Total	\$1,680,685	\$1,795,000	\$ 114,315	6.8%
Expenses				
Personnel Services	\$ 397,600	\$ 404,700	\$ 7,100	1.8%
Supplies & Materials	83,500	86,500	3,000	3.6%
Other Services & Charges	271,200	347,100	75,900	28.0%
Total	\$ 752,300	\$ 838,300	\$ 86,000	11.4%
Net Available for Capital **	\$ 928,385	\$ 956,700		
** Excludes \$1,090,000 in cash r	eserves set asi	de for storm se	wer-related cap	oital

For 2017, overall costs are expected to rise 11.4%. Costs associated with assigned personnel are expected to increase 1.8% which includes a 2.75% cost-of-living adjustment. The increase in 'Others Services & Charges' is due to the costs associated with updating the Stormwater Plan, which is required as part of the broader decennial update of the Comprehensive Plan.

The revised 20-Year Capital Improvement Plan (CIP) identifies added infrastructure replacement costs in the coming years which will require a 5.0% increase in the storm sewer fee.

Recycling Operations

 The recycling operation provides for the contracted curbside recycling pickup throughout the City and related administrative costs. The primary operating cost is the amounts paid to a contractor to pickup recycling materials.

The following table provides a summary of the 2016 and 2017 (proposed) Budget:

		2016		2017	\$	Increase	% Increase
		Budget		Budget	<u>(L</u>	Decrease)	(Decrease)
Revenues							
Base Fee Revenue	\$	346,000	\$	426,210	\$	80,210	23.2%
Usage Fee Revenue		-		-		-	0.0%
SCORE Grant		89,200		85,000		(4,200)	-4.7%
Revenue Sharing		48,000		-		(48,000)	-100.0%
Interest Earnings		1,000		1,000		-	0.0%
Total	\$	484,200	\$	512,210	\$	28,010	5.8%
Expenses							
Personnel Services	\$	36,800	\$	36,800	\$	-	0.0%
Supplies & Materials		2,000		2,000		-	0.0%
Other Services & Charges		453,410		473,410		20,000	4.4%
Total	\$	492,210	\$	512,210	\$	20,000	4.1%
Net From Operations **	\$	(8,010)	\$	-			
** The Recycling Fund has a cash	bal	ance of \$90	,60	0			

For 2017, overall costs are expected to rise 4.1% resulting from a new multi-year contract for services

(review pending). The increased contractor costs which include the addition of pickups in public areas, coupled with a decline in revenue sharing will require a 16.0% increase in the recycling fee charged to customers.

Recommended Rates for 2016

 As noted above, a typical single-family home will pay \$170.75 per quarter, or \$56.92 per month under the recommended rates. The following tables provide a more detailed breakdown of the proposed rates.

Water Usage History

 The series of graphs presented below depict water customer consumption patterns over the past 8 years beginning with a depiction of the *citywide* water consumption.

As indicated in the graph, citywide consumption has generally been falling over the past eight years - a 17% reduction since 2007. With aggregate data it's difficult to conclude whether water customers are truly modifying their behavior or if the volume is decreasing for other reasons such as the loss of highwater users (manufacturing, hotels, apartments, etc.) or higher summertime rainfall totals.

As we'll discuss further below, the average monthly summertime rainfall totals have increased somewhat since 2009, however during this same period the City has seen growth in housing units, retail establishments, and other commercial uses. The bottom line is that overall consumption has declined, while the City has grown.

The next graph depicts the average <u>quarterly</u> wintertime usage for single-family homes. Because it excludes summer lawn & garden irrigation months, the graph is indicative what single-family homes use for 'normal' household usage such as laundry, showering/bathing, etc.

Avg. Consumption (Gals.)

As shown in the graph, the average overall usage for single-family homes in the wintertime has remained relatively stable since 2007 with a variance of only about 2,000 gallons from year to year.

On the surface, the data suggests that customer behavior and consumption patterns were not influenced by changes in the water usage fees in either direction. This may have occurred because the financial incentive or penalty to modify a household's behavior was simply not large enough. Then again, it could mean that most households simply held to an established standard of cleanliness, while remaining mindful of societal norms associated with water conservation.

This seems to be evidenced when the water usage fee dropped from \$2.35 per thousand gallons in 2008 to \$1.85 in 2009 as part of an overall rate structure change. This effectively lowered the cost of consumption by 20%. Despite these favorable circumstances, household usage remained unchanged.

Finally, we can look at the average quarterly *summertime* usage for single-family homes to gauge whether water usage behaviors are influenced by seasonal factors such as lawn & garden irrigation. In this instance, we need to also track local rainfall totals because it can influence how much water households use for outdoor purposes.

As the graph indicates, over the past eight years the average overall usage + captured volume of water for single-family homes in the summertime ranged from 31,000 gallons per quarter to 39,000.

What is clearly evidenced by the data, summertime consumption patterns are directly influenced by rainfall amounts. Clearly, customers reduced their summertime consumption during heavier rainfall periods. Changes in water usage fees didn't seem to be a factor on how much water was used. Once again, it appears that customers are making a conscious decision to maintain an established standard – in this case a healthy lawn and garden while remaining mindful of the tenets of water conservation. The bottom line is that single-family *summertime* water consumption has dropped by 29% since 2009.

Rate Comparisons

The graphs below depict a number of water and sewer rate comparisons with other peer communities. For this analysis, peer communities include 1st ring suburbs that serve a population between 18,000 and 50,000, and which are not simply an extension of a larger entity's system (e.g. Maplewood is excluded because they're part of St. Paul's system). This group was selected to try and approximate cities with stand-alone systems with similar age of infrastructure which can have a significant influence on the cost of water and sewer services.

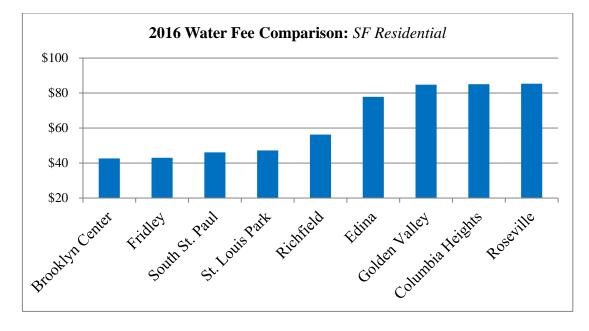

It should be noted that broad comparisons only give a cursory look at how one community's rates compares to another. One must also incorporate each City's individual philosophy in funding programs and services.

For example, Roseville does NOT utilize assessments to pay for water or sewer infrastructure replacements like many other cities do. Instead we fund infrastructure replacements 100% through the rates. As a result, Roseville's water and sewer rates are inherently higher when compared to a City that uses assessments to pay for improvements. Other influences on the rates include whether or not a community softens its water before sending it on to customers, and the extent in which communities charge higher rates to non-residential customers.

The following chart depicts the peer group comparison for combined water base rate and usage rate for

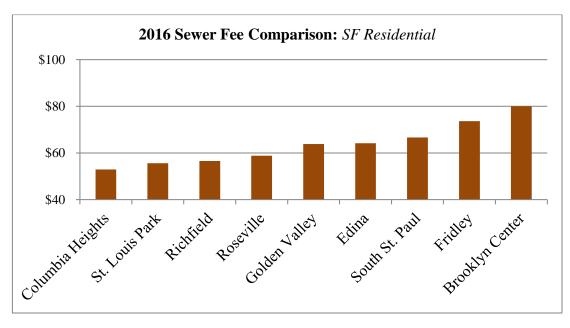

a single-family home that uses 15,000 gallons per quarter.

As is shown in the graph, Roseville's total water charge (base + usage) is the highest in the comparison group. One of the primary reasons why Roseville's water rates are higher is due to the significant increase in infrastructure replacements in recent years, which unlike many other cities, are funded solely by the rates.

The following chart depicts the peer group comparison for combined *sewer* base rate and usage rate for a single-family home that uses 13,000 gallons per quarter.

In this comparison, Roseville sewer charges were less than the median.

To get a broader perspective, the following chart has been prepared depicting the combined *water and sewer* impact for a typical single-family home for the comparison group.

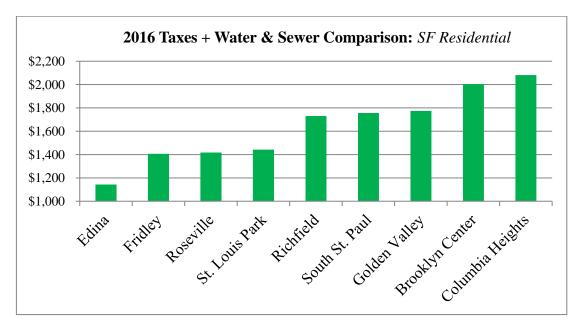

When combined, Roseville is approximately 14% above the average for the peer group.

It should be noted that most of the cities shown in the chart that have lower water & sewer rates, happen to have much higher property tax rates. This is an important distinction because again, each City employs a different philosophy in how it funds the direct and indirect costs of providing water & sewer services.

Roseville's philosophy is to ensure that all indirect costs are reflected in the water and sewer rates. This results in higher water and sewer rates. This also means that we don't have as many indirect costs being supported by the property tax or assessments. We can adjust for these differences by combining property taxes and water & sewer fees for a typical single-family home.

213

As is shown in this graph, when looking at more comprehensive comparison that factors in a broader spectrum of needs and funding philosophies, Roseville has one of the lowest financial impacts on residents of the comparison group – approximately 12% below the peer average.

Authorize Cooperative Service Agreement with the United States Department of

Agriculture for the Purpose of Deer Reduction

BACKGROUND

After much Community, City Council and Parks and Recreation Commission discussion, on October 24,

2016 the City Council authorized a deer reduction effort to be conducted by sharpshooters from the United

States Department of Agriculture. The exact dates are yet to be finalized, but it is expected to occur

sometime between January and March of 2017.

6

Attached is a standard Cooperative Service Agreement between the City of Roseville and the United States

Department of Agriculture. It has been reviewed and approved by the City Attorney.

8

The locations that are expected for reduction efforts include; Central Park East, Ladyslipper Park,

Owasso Hills Park and the Roseville Leaf Compost Site.

12 13

POLICY OBJECTIVE

This effort is consistent with addressing resident's concerns and desires and with the City Wildlife

Management Ordinance.

16 17

FINANCIAL IMPACTS

The cost for reducing the Roseville deer herd by up to 20 is anticipated to be \$6,751.12.

18 19 20

STAFF RECOMMENDATION

Staff recommends that the City Council authorize the attached Cooperative Service Agreement with the

United States Department of Agriculture and all other necessary documents to perform the Wildlife

Management Services in Roseville, all with final City Attorney approval.

- 2. To meet as determined necessary by either party to discuss mutual program interests, accomplishments, needs, technology, and procedures to maintain or amend the Work Plan (Attachment A). Personnel authorized to attend meetings under this Agreement shall be the City Manager, Police Chief, Parks and Recreation Director or his/her designees, the Ramsey County Sheriff's Department and/or local Law Enforcement, and the WS State Director or his/her designee, and/or those additional persons authorized and approved by the City of Roseville, and the WS State Director.
- 3. APHIS-WS shall perform services more fully set forth in the Work Plan, which is attached hereto and made a part hereof. The parties may mutually agree in writing, at any time during the term of this Agreement, to amend, modify, add or delete services from the Work Plan.

ARTICLE 4

City of Roseville agrees:

- 1. To authorize APHIS-WS to conduct direct control activities to reduce human health and safety risks and property damage associated with white-tailed deer. These activities are defined in the Work Plan (Attachment A). APHIS-WS will be considered an invitee on the lands/property controlled by the City of Roseville. The City will be required to exercise reasonable care to warn APHIS-WS as to dangerous conditions or activities in the project areas.
- 2. To reimburse APHIS-WS for costs of services provided under this Agreement up to but not exceeding the amount specified in the Financial Plan (Attachment B). The City of Roseville will begin processing for payment invoices submitted by APHIS-WS within 30 days of receipt. The City of Roseville ensures and certifies that it is not currently debarred or suspended and is free of delinquent Federal debt.
- 3. To designate to APHIS-WS the City of Roseville authorized individual whose responsibility shall be the coordination and administration of activities conducted pursuant to this Agreement.
- 4. To notify APHIS-WS verbally or in writing as far in advance as practical of the date and time of any proposed meeting related to the program.
- 5. APHIS-WS shall be responsible for administration and supervision of the program.
- 6. There will be no equipment with a procurement price of \$5,000 or more per unit purchased directly with funds from the cooperator for use solely on this project. All other equipment purchased for the program is and will remain the property of APHIS-WS.
- 7. To coordinate with APHIS-WS before responding to all media requests.

- 8. To obtain the appropriate permits for removal activities for white-tailed deer and other nuisance or damaging wildlife species as needed and to list USDA, APHIS, Wildlife Services as subpermitees.
- 9. To coordinate with Wildlife Services for the removal and/or disposal of wildlife species removed.

ARTICLE 5

APHIS-WS Agrees:

- 1. To conduct activities for the City of Roseville as described in the Work and Financial Plan of this agreement.
- 2. To designate to the City of Roseville the authorized APHIS-WS individual who shall be responsible for the joint administration of the activities conducted pursuant to this Cooperative Service Agreement.
- 3. To bill the City of Roseville quarterly for actual costs incurred by APHIS-WS during the performance of services agreed upon and specified in the Work Plan. APHIS-WS shall keep records and receipts of all reimbursable expenditures hereunder for a period of not less than one year from the date of completion of the services provided under this Agreement and the City of Roseville shall have the right to inspect and audit such records.
- 4. To coordinate with the City of Roseville before responding to all media requests.

ARTICLE 6

This Agreement is contingent upon the passage by Congress of an appropriation from which expenditures may be legally met and shall not obligate APHIS-WS upon failure of Congress to so appropriate. This Agreement may also be reduced or terminated if Congress only provides APHIS-WS funds for a finite period under a Continuing Resolution.

ARTICLE 7

APHIS-WS assumes no liability for any actions or activities conducted under this Cooperative Service Agreement except to the extent that recourse or remedies are provided by Congress under the Federal Tort Claims Act (28 U.S.C. 1346(b), 2401(b), and 2671-2680).

ARTICLE 8

Pursuant to Section 22, Title 41, United States Code, no member of or delegate to Congress shall be admitted to any share or part of this Agreement or to any benefit to arise therefrom.

ARTICLE 9

Nothing in this Agreement shall prevent APHIS-WS from entering into separate agreements with any other organization or individual for the purpose of providing wildlife damage management services exclusive of those provided for under this agreement.

ARTICLE 10

The City of Roseville certifies that APHIS-WS has advised the City that there may be private sector service providers available to provide wildlife management services that the City is seeking from APHIS-WS.

ARTICLE 11

The performance of wildlife damage management actions by APHIS-WS under this agreement is contingent upon a determination by APHIS-WS that such actions are in compliance with the National Environmental Policy Act, Endangered Species Act, and any other applicable federal statutes. APHIS-WS will not make a final decision to conduct requested wildlife damage management actions until it has made the determination of such compliance.

ARTICLE 12

This Cooperative Service Agreement may be amended at any time by mutual agreement of the parties in writing. Also, this Agreement may be terminated at any time by mutual agreement of the parties in writing, or by one party provided that party notifies the other in writing at least 120 days prior to effecting such action. Further, in the event the City of Roseville does not provide necessary funds, APHIS-WS is relieved of the obligation to provide services under this agreement.

ATTACHMENT A WORK PLAN

INTRODUCTION

The U.S. Department of Agriculture (USDA) is authorized to protect property, human health and safety, agriculture and natural resources from damage caused by wildlife. The primary authority for Wildlife Services (WS) is the Act of March 2, 1931 (46 Stat. 1468; 7 U.S.C.426-426b) as amended, and the Act of December 22, 1987 (101Stat. 1329-331, 7 U.S.C. 426c). Wildlife Services activities are conducted in cooperation with other Federal, State and local agencies, private organizations, and individuals.

The APHIS WS program uses an Integrated Wildlife Damage Management (IWDM) approach (sometimes referred to as IPM or "Integrated Pest Management") in which a series of methods may be used or recommended to reduce wildlife damage. IWDM is described in Chapter 1, 1-7 of the Animal Damage Control Program Final Environmental Impact Statement (USDA, 1994). These methods include the alteration of cultural practices as well as habitat and behavioral modification to prevent damage. However, controlling wildlife damage may require that the offending animal(s) are killed or that the populations of the offending species be reduced.

PURPOSE

The City of Roseville, MN has requested assistance from Wildlife Services in managing nuisance and damaging wildlife species within the City of Roseville.

PLANNED WILDLIFE SERVICES ACTIVITIES

WS personnel will remove deer from City-designated control areas and on private property where written permission has been obtained using suppressed firearms equipped with night vision or thermal imaging scopes. Spotlights may also be used while conducting control activities. Safe shooting zones and safe back-drops will be established for all control areas. WS will prioritize public safety during all control operations and utilize a minimum of 2 WS personnel when conducting deer control work. Most deer control activities will be conducted at dusk/night. All control activities will be coordinated with the Parks and Recreation Director Lonnie Brokke, or a designee(s). WS personnel will advise local law enforcement and the appropriate local Minnesota Department of Natural Resources Conservation officer when firearm related wildlife control work is being conducted.

Under this agreement, WS will provide up to 8 scouting/bait site maintenance visits and up to 4 visits to conduct white-tailed deer control activities. The number of site visits provided may be altered to ensure that funding expenditures do not exceed the amount established in the Financial Plan (Attachment B) of this document.

WS will use generally accepted wildlife damage management tools, equipment and techniques to conduct all removal activities under this agreement.

EFFECTIVE DATES

This cooperative agreement shall become effective on December 6, 2016 and shall expire on September 30, 2017.

Item Description: Pet Store Regulation Discussion

BACKGROUND

- As a result of recent media coverage regarding the condition of animals being sold at the Har Mar Pet
- Store, the City Council held a discussion on September 19, 2016 (Attachment A) to consider ways to
- 4 regulate the sale of animals in Roseville. The City Council heard testimony from Christine Coughlin of
- 5 the Minnesota Chapter of the Humane Society of America as well as Gary Papineau, owner of the Har
- 6 Mar Pet Shop and two other pet store owners regarding the sales of cats and dogs. Ms. Coughlin
- suggested that the City Council consider an ordinance that would prohibit the sale of dogs and cats by a
- 8 pet store but would allow for a collaboration between a pet store and animal shelter or rescue
- 9 organization to showcase adoptable dogs and cats. The Humane Society of America has drafted a
- potential ordinance for consideration. (Attachment B). Ms. Coughlin has also provided a letter from
- The Human Society of America, Animal Folks Minnesota, and the Animal Human Society urging the
- 12 City Council to consider passing the ordinance. (Attachment C)
- Staff has made Mr. Papineau aware that this matter will be discussed by the City Council.
- As a way of background, staff has provided the September 19, 2016 RCA and attachments for the City
- 15 Council to review. (Attachment D).

16 POLICY OBJECTIVE

To determine whether pet stores should be regulated and/or licensed in the City of Roseville.

18 FINANCIAL IMPACTS

- 19 City costs cannot be determined at this time. Adopting an ordinance will require staff time to ensure
- 20 compliance with the ordinance.

21 STAFF RECOMMENDATION

- 22 Staff suggests that the City Council review the information and discusses next steps that the City should
- take, including considering an ordinance regarding the sale of dogs and cats by pet stores.

REQUESTED COUNCIL ACTION

25 Provide direction on whether to bring forward an ordinance regarding the sale of dogs and cats by pet

26 stores.

b. Pet Store Regulation and Licensing Discussion

As detailed in the RCA, City Manager Trudgeon referenced a recent newspaper article regarding the condition of animals being sold at the Har Mar Pet Store (Attachment A), and considerable community discussion and concern following the article. Mr. Trudgeon advised the intent of tonight's discussion was to provide direction to staff as the City Council considered potential regulation or licensing of pet stores, not currently done.

Mr. Trudgeon noted there were currently four pet stores located in Roseville: PetSmart, PETCO, Chuck and Don's, and Har Mar Pet Store, all having been notified of tonight's discussion. As noted in the RCA, City Manager Trudgeon, in researching other communities, advised that the City of St. Paul was found to license pet stores and provided some level of inspection, but he had not spoken personally their staff as to the logistics of their efforts.

Mr. Trudgeon introduced, and Mayor Roe welcomed representatives of the Minnesota Chapter of the Human Society of America (HSA), having previously met with City Manager Trudgeon to provide information about the operation of pet stores and sharing their thoughts on a possible pet store ordinance for Roseville, including a sample ordinance recently adopted by Eastpointe, Michigan (Attachment B).

Christine Coughlin, Minnesota Chapter HSA

Ms. Coughlin noted this had come to their attention, as it had the city's, specifically after the article and resulting community discontent. Ms. Coughlin encouraged the City Council to consider a systemic and long-term solution rather than a band aid solution as it considered the issue and possible ordinance, as well as it being minimally burdensome for the city and its staff.

Ms. Coughlin recommended a dual effort, providing a systemic approach, but not over-structuring regulations. Ms. Coughlin reviewed realistic and public or media perceived review of animals arriving I pet stores, their conditions, and their possible further health deterioration depending on where they originated from before arriving at the store.

Ms. Coughlin stated the HSA's gravest concern was sourcing of the animals arriving at pet stores. Ms. Coughlin reviewed some of those sources, some responsible animal breeders and other defined as "puppy mills" where commercial mass production breeding is done with the focus on profits versus animal welfare. Ms. Coughlin advised the HSA had documentation available through undercover investigation and research. Ms. Coughlin noted of approximately two million animals produced annually and directly funneled to pet stores, 95% of breed clubs adopted a position where they discouraged or didn't allow their members to sell to pet stores due to the puppy mills issues.

Ms. Coughlin reviewed that regulatory oversight of certified pet stores and inspections by the United States Department of Agriculture (USDA). However, Ms. Coughlin advised that USDA standards were of a legal nature, and are not complied with in a majority of those facilities.

Ms. Coughlin stated the solution recommended by the HAS was growing in popularity around the country, with approximately 176 jurisdictions having adopted it and no longer allowing for commercial bred dogs and cats. Ms. Coughlin recommended that the City of Roseville adopt a similar ordinance, encouraging them to partner with shelters and rescue shelters to co-host adoption events or provide space for those events. Of the four pet stores in Roseville, Ms. Coughlin advised that three of them were already providing this option, and of the larger 24 pet stores in Minnesota, only one remains not doing it, even though it was commercially feasible.

Ms. Coughlin referenced numerous success stories, offering to provide that information to the city at their request; offering the services of the HAS to work with the pet store to make this humane transition, and not requiring a commitment to change their business model. Ms. Coughlin advised that the HAS would provide infrastructure and promotion assistance for this transition.

Mayor Roe noted the article referencing a "USDA Animal Inspector Report," and asked how an inspector would end up at a pet store facility to perform an inspection; whether complaint-driven or if periodically done for pet stores by the USDA.

Ms. Coughlin noted she had questioned the article in that regard as well, noting pet stores are not typically regulated by the USDA, including this particular Har Mar store. However, Ms. Coughlin noted this store has a Class B license, a class under the Animal Welfare Act for brokers and dealers selling some exotic animals, and thus subject to site inspections.

For clarification and at the request of Mayor Roe, Ms. Coughlin stated that the USDA inspector inspected the facility not individual animals.

Mayor Roe referenced the model ordinance, noting certificates of USDA inspection and veterinary records, and in noting multiple violations with breeders from Iowa, he asked how and if those records were readily available or how they could be accessed by the general public or if a formal public information request was required for that access.

Ms. Coughlin responded that the USDA records were readily available via online search, but the CDI's Board of Animal Health at the State level held records as well until legislation for data privacy law restrictions in 2014 making those CDI's no longer available to the public.

Ms. Coughlin advised that the HSA has a spreadsheet available listing 2015 facilities supplying puppies to that particular pet store in Iowa referenced, and offered to provide that information to the City Council at their request.

Councilmember McGehee asked if the HSA had available any model ordinance language for amphibians as well.

Ms. Coughlin clarified that the model ordinance they were recommending to the City would deal only with puppies, dogs and kittens, as did the Eastpointe, Michigan model, even though the City Council could expand it at their discretion. Ms. Coughlin advised that the HSA's rationale in limiting the ordinance to dogs and cats, was based on their research and investigations providing a link and strong grounds for court challenges to-date.

Councilmember McGehee asked if there was similar activity regulating the activity for importation of exotic species of birds and addressing their breeding.

Ms. Coughlin advised that she could provide additional information on that if so desired; however, she noted that this was not her area of expertise, even though their import and longevity was also of grave concern to the HSA.

Public Comment

Kristin Smith, Pet Store Owner in Blaine, MN

Ms. Smith advised that Har Mar Pet Store was her biggest competitor; and stated her reason for speaking tonight was that any decision made by the Roseville City Council could not only affect its community facilities, but also the three other stores in the State of MN that were selling puppies, hers included.

Ms. Smith provided her perception of the situation at the Har Mar Pet Store, addressing various ailments observed by the USDA inspector addressed in the news article. Ms. Smith noted these were typical ailments and could result even if and when dogs – or other similar animals – were being well-cared for. Ms. Smith noted that when a USDA inspector comes in, they did a snapshot inspection on that particular day, and was always an unannounced visit

Vanessa Rojas, St. Paul Petland Store Owner

Ms. Rojas noted some ailments could also be a result of stress for the pet.

Ms. Smith and Ms. Rojas provided their perspective on pet store operations and situations, and answered questions of the City Council as applicable.

At the request of Councilmember Willmus, Ms. Smith advised that not all USDA inspectors were veterinarians.

Ms. Rojas stated she welcomed access and transparency in her store, and reviewed her history from being in opposition to Petland to now owning the store, which had encouraged her to work to provide a bridge for both sides in working cooperatively whether as an animal rights activist or as a breeder. Ms. Rojas noted this had resulted in her business growing over the last two years from 7 employees to 34.

Ms. Smith agreed, noting that all pet stores were unique and personalities of their owners also unique, but all facing the same daily challenges. Ms. Smith cautioned that, while not familiar with Mr. Papineau of Har Mar Pet Store, the decisions made by the Roseville City Council were far reaching for these small business owners, their employees, customers and their very livelihoods. Ms. Smith opined that the USDA standards were very minimal and every breeder should be able to comply with them and ensure customers that animals are being well cared for.

Ms. Rojas noted that it was a full-time job caring for animals in this environment, and while the USDA wasn't perfect, opined that the alternative with no checks and balances in place was not a good solution either.

Ms. Smith and Ms. Rojas provided further comments on the longevity of pet stores; impact of internet trade for national and international sales of pets; improvements to the breeding and inspection process; and changes in the industry to address breeding practices for physical and mental health of animals. Further comment included defining the actual goal of the model ordinance, differences in pet stores and rescue organizations and assurances to purchases of an animal's breeding depending on their source; and many variables of pets based on their personalities, temperaments and breeding.

With the number of pet stores in the United States still selling puppies identified as fewer than 1,000, Ms. Rojas advised that there were 4,000 pet rescue organizations. Ms. Rojas noted this was the only business of which she was aware that provided you could operate a legal business within the letter of the law, yet still you're your ethics questioned if someone found fault with your business. Ms. Rojas suggested everyone work together – the USDA and pet store owners – to update the current Animal Welfare Act.

Ms. Smith and Ms. Rojas addressed additional comments related to other cities having initially passed an ordinance similar to the model provided, and subsequently rejecting them (e.g. Phoenix, AZ); USDA inspections related to "puppy mills;" unlicensed or unregulated breeders as an alternative to USDA self-reporting; and relations of pet store owners and level of trust with their pet breeders.

Mayor Roe thanked Ms. Smith and Ms. Rojas for the considerable information they provided.

Councilmember McGehee asked additional questions related to breeding requirements for pet store facilities and their licensing; with Ms. Smith and Ms. Rojas clarifying it was more important to consider animal care based on the number of available staff versus the number of breeding pets.

Ms. Smith provided several handouts for future reference.

Gary Papineau, Owner of Har Mar Pet Shop

Mr. Papineau stated his pride in Har Mar Pet Shop, having worked there starting at age 19, and owned the facility for twenty-seven years. Ms. Papineau advised that he had carried a USDA license for approximately 12 - 15 years; and reviewed past violations that he considered insignificant (e.g. expired medications missed).

Mr. Papineau reviewed the news article and violations cited in the article by this new USDA inspector, not only new to the job but also not a veterinarian. Ms. Papineau suggested if this inspector had used common sense, the majority of the violations would not have occurred. Mr. Papineau noted that, when pets arrive on site, it was often a "wait and see" situation to observe the pets and their health situations as to what if any treatment was required.

Mr. Papineau noted the English bulldog with cherry eye was his personal pet that he used for breeding, and advised this was a recurring health issue, but was certainly not contagious and frequently happened when a pet was neutered or spayed. Immediately after the inspection, Mr. Papineau advised he had taken his pet to the veterinarian, as he had done in the past for this condition, with the veterinarian advising that the situation could be taken care of now or delayed until the other eye was addressed.

Specific to rodents cited as having eye problems, Mr. Papineau advised that the particular hamster was blind, but still active, and such animals were often of interest to children seeking such a pet, and noted he frequently "gifted" such pets to those children. Mr. Papineau stated this pet wasn't in need of medical assistance that would be evident with a loss of hair, losing weight or other medical concerns, and therefore not in distress.

Mr. Papineau advised that, if a dog has a "kennel cough," which was a highly contagious issue, the animal would be isolated until it burned itself out, similar to a cold.

Specific to the deceased baby hedgehog, having died two weeks prior that was still inside with an adult hedgehog, Mr. Papineau advised that the mother had

abandoned her litter causing their demise, and while he had cleaned out the kennels, this baby hedgehog, about the size of a nickel, had been unfortunately missed by him.

Mr. Papineau stated that he inspected all kennels from whom he purchased, and had found no health concerns to-date. Mr. Papineau noted it was not unusual for him to take animals from his store to the veterinarian 4-5 times per day; and noted that his store was staffed by 3 full-time and 7 part-time employees. Mr. Papineau opined that as a taxpayer of various taxing agencies, his business also provided a benefit to the city, as well as bringing customers from around the metropolitan area, not just Roseville.

While the other three stores mentioned performed pet rescues, Mr. Papineau opined everyone should choose their option, further opining that the industry market would weed out those pet stores not performing well. Mr. Papineau stated he loved the animals at his store, and asked that the City Council not single out a pet shop, but adopt any legislation or ordinance equally, and also address rescue pets as well. Mr. Papineau stated he was not opposed to inspection of his business, but asked that he not be required to change his business model.

Council Positions / Direction to Staff

Councilmember Willmus stated he remained interested in looking at some controls and noted the interesting perspective provided by Owen Bachhuber. While needing to look at this situation more closely, Councilmember Willmus expressed interest in continuing the conversation; stating his personal preference to move away from the sale of kittens and puppies in pet shops and consider a nationwide model for pet adoption.

Councilmember Laliberte noted the considerable amount of information provided tonight that will helpful going forward in assessing the issue. Councilmember Laliberte stated she was also looking at more controls, from various perspectives, including whether the city considered the USDA criteria was adequate or met objectives, or if state regulations were sufficient. Councilmember Laliberte noted the city was not set up to provide pet store inspections, causing her to struggle going down that road. Councilmember Laliberte spoke in support of the adoption model at this point.

Councilmember McGehee stated she came in to tonight's meeting strongly leaning in the direction of the adoption model, but noted the education she'd received about USDA rules and pet housing environments. Councilmember McGehee stated she understood being a breeder of exotic animals was an improvement over purchasing pets on the Internet or having them poached and brought in illegally, but agreed it was a complicated decision. Having heard Mr. Papineau's testimony on some of the perceived violations, Councilmember McGehee stated she'd like more time to consider this issue. Councilmember McGehee agreed with her col-

leagues that the city didn't have the expertise to become pet store inspectors, and stated she wasn't interested in going that route. However, Councilmember McGehee stated she was unsure how to proceed at this point and based on the information just provided.

Mayor Roe noted Councilmember Etten may wish to weigh in on this issue at future discussions as well.

At the request of Mayor Roe, Ms. Smith, Ms. Rojas, and Mr. Papineau responded to the procedure for animals at stores 24/7 and their care overnight; with mall security monitoring the pets overnight and alerting pet store owners of any observed issues and that pet then typically taken home with the store owner for closer observation overnight.

From his layperson background research, Mayor Roe reviewed his interpretation of the USDA review of breeders with three or more female dogs and licensing for stores selling certain exotic species and regulation of sales not person to person or pet store transactions, or on the Internet.

Ms. Rojas advised that her store was inspected by St. Paul Animal Control and American Kennel Club (AKC) to retain her certification with them. Ms. Rojas stated her store was an open book, and reiterated her invitation for Councilmembers to personally tour her facility.

At the request of Mayor Roe, Ms. Rojas provided a review of the AKC Certification inspection process.

Ms. Smith noted unofficial "inspections" were also continual in her case by consumers, mall staff, and others observing her operation and facility.

While recognizing the passion for their work of Ms. Smith and Ms. Rojas and her respect for the pride they had for their small businesses, Councilmember Laliberte opined that the city couldn't fully consider how their action may impact another city. Specifically, with the referenced inspection at Har Mar Pet Store and resulting community rage, as well as someone frequenting Har Mar Mall observing the facility and as a resident in that vicinity, Councilmember Laliberte advised that she had heard concerns for many years about that operation. Councilmember Laliberte stated her concern was what the City of Roseville expected from its businesses and the animals within the city.

As direction to staff, and without objection, Mayor Roe noted council members wanted to give more thought to the information received to-date, seek additional research; and suggested staff may consider this as a topic for public comment on Speak Up! Roseville, as well as other communication sources with the goal of receiving feedback.

Roseville Pet Store Ordinance

The problem: An alarming situation exists in the city of Roseville pertaining to a pet store:

- An April 21, 2016 inspection report conducted by the United States Department of Agriculture (USDA) of the Har Mar Pet Shop revealed various animals inside the pet store suffering from a variety of distressing conditions as a result of inadequate care.
- For years, complaints have been filed by citizens against the Har Mar Pet Shop in regard to
 conditions for animals and law enforcement and humane agents have made repeated visits to
 the store.
- The Har Mar Pet Shop has purchased puppies from various dog breeders and brokers that have been cited for violations of the Animal Welfare Act including lack of veterinary care, lack of cleaning, sanitization, pest control, housekeeping, and broken, hazardous enclosures.

The above actions are out of step with Roseville community values.

What is needed: Enact a pet store ordinance in the city of Roseville that prohibits pet stores from selling dogs and cats acquired from mass breeding facilities while allowing the stores to host adoption events with animal shelters and rescues.

How it works: This ordinance is not designed to put pet stores out of business. Instead it provides them with the opportunity to transition to a humane business model consistent with Roseville community values. The model does not impose a costly burden on the city and is business-friendly, allowing pet stores to sell quality products and services and host pet adoption events at their store in conjunction with area shelters and rescues. These adoption events not only help decrease pet overpopulation and homelessness, they also encourage those who adopt to purchase the products and services they need from the pet store.

Why it is needed: Passing the pet store ordinance is a preventative measure that will:

- protect animals from neglect and cruelty in pet stores and in mass breeding facilities where dogs and cats are acquired;
- protect consumers from economic and emotional harm when a sickly animal is purchased or when they unknowingly support a cruel industry;
- encourage the public to adopt homeless animals or seek out reputable breeders who take excellent care of their dogs and cats;
- lessen the burden on law enforcement and other authorities who must repeatedly respond to cruelty complaints and noncompliant conditions; and
- uphold the values of Roseville residents and promote Roseville as a humane community.

BACKGROUND AND CONTEXT

Multiple cities throughout the nation have recognized the need to address the problem of selling dogs and cats through pet stores that have been obtained from puppy and kitten mills. Pet shop ordinances have been passed in over 180 localities across the U.S., including Los Angeles, Chicago, and Boston.

<u>Puppy and kitten mills</u>: Puppy and kitten mills are inhumane commercial breeding facilities that disregard the health and well-being of the animals to maintain a low overhead and increase profits. The focus of such facilities is the mass production of animals for re-sale to pet stores. Pet stores buy from both licensed and unlicensed pet breeders and brokers. Federal licensing does not ensure healthy and safe conditions for the animals. USDA requirements are known as "survival standards," allowing dogs to be kept in cramped, stacked, wire cages for their entire lives, often in extreme temperatures, denied basic veterinary care, and bred continuously.

Mass breeding-pet store link: There is a well-documented and indisputable link between puppy and kitten mills (mass breeding facilities) and pet stores. Puppy and kitten mills thrive on pet store sales because pet stores, as the distribution outlet, allow cruelty to remain hidden from the public. Investigations consistently reveal that pet stores mislead consumers by claiming they obtain puppies from small-scale humane breeders. In reality that option does not exist, because *responsible breeders do not sell to pet stores*. A review of the Codes of Ethics for the National Breed Clubs representing all 178 dog breeds recognized by the American Kennel Club found that 96% of those National Clubs include statements that their breeders should not and/or do not sell to pet stores.

<u>Sick and behaviorally challenged puppies</u>: Not only are pet store consumers *unknowingly* supporting puppy and kitten mills, they often end up dealing with the financial and emotional burden of having a sick or difficult pet. Pet store puppies are often sick because they are born into deplorable conditions, taken from their mothers very early, exposed to a wide range of diseases, and are susceptible to genetic disorders. In addition, a study from the Journal of Veterinary Medicine concluded that puppies should not be obtained from pet stores because dogs are more likely to exhibit many undesirable behavioral characteristics, including aggression and biting.

<u>Humane model</u>: An alternative humane model has been adopted by numerous pet stores in Minnesota and throughout the nation, where, instead of acquiring and selling dogs and cats obtained from puppy and kitten mills, the pet store hosts adoption events by working with local animal rescues and shelters. These events help decrease pet overpopulation and homelessness, and encourage those who adopt to use the products and services offered at the store. Pet stores that convert to such a model have proven success as well as a better reputation in the community. For instance, PetSmart and Petco both host dog and cat adoption events at their store and they are the two most successful pet store chains in the country. There is a great community of shelters, rescues, and truly responsible breeders in the Twin Cities, providing numerous options for a consumer to obtain the dog or cat of his or her choice.

AN ORDINANCE AMENDING TITLE 5 OF THE CITY CODE

The City of Roseville ordains:

SECTION 1. Background:

WHEREAS, a significant number of puppies and kittens sold at pet stores come from large-scale, commercial breeding facilities where the health and welfare of the animals are not adequately provided for; and

WHEREAS, the documented abuses endemic to mass breeding facilities include over-breeding; inbreeding; minimal to non-existent veterinary care; lack of adequate and nutritious food, water and shelter; lack of socialization; lack of adequate space; lack of adequate exercise; no or limited screening of genetic diseases; inadequate transportation and shipping protocols of puppies and kittens; and indiscriminate disposal of breeding dogs and cats who have reached the end of their profitable breeding cycle; and

WHEREAS, the inhumane conditions in mass breeding facilities lead to health and behavioral issues in the animals bred in those facilities, which many consumers are unaware of when purchasing animals from pet stores due to both a lack of education on the issue and misleading tactics of pet stores in some cases. These health and behavioral issues, which may not present themselves until some time after the purchase of the animals, can impose exorbitant financial and emotional costs on consumers; and

WHEREAS, current Federal and State regulations do not properly address the sale of dogs and cats in pet stores; and

WHEREAS, due in large part to pet overpopulation, numerous dogs and cats are euthanized. Restricting the retail sale of puppies and kittens is likely to increase demand from animal shelters and rescue organizations, which will likely reduce the burden on such agencies and reduce financial costs on local taxpayers; and

WHEREAS, across the country, thousands of independent pet stores as well as large chains operate profitably with a business model focused on the sale of pet services and supplies and not on the sale of commercially bred dogs or cats. Many of these stores collaborate with local animal shelters and rescue organizations to offer space and support for showcasing adoptable homeless pets on their premises; and

WHEREAS, this Ordinance will not affect consumers' ability to obtain a dog or cat of their choice directly from an animal shelter, or breed-specific rescue organization, or from a breeder where the consumer can see directly the conditions in which the dogs or cats are bred or can confer directly with the breeder concerning those conditions; and

WHEREAS, the City Council for the City of Roseville believes it is in the best interests of the City of Roseville to adopt reasonable regulations to reduce costs to the City and its residents, protect the citizens of the City who may purchase dogs or cats from a pet store or other business establishment, help prevent inhumane breeding conditions, promote community awareness of animal welfare, and foster a more humane environment in the City.

SECTION 2. Section 501.01 (Definitions) is hereby amended as follows:

501.01: DEFINITIONS:

Except where the term is expressly defined by other provisions or sections within this Chapter, the following words and terms shall have the meanings ascribed to them in this Section:

ANIMAL CONTROL AUTHORITY: Any governmental entity which is responsible for animal control operations in its jurisdiction.

ANIMAL RESCUE ORGANIZATION: Any not-for-profit organization which has tax-exempt status under Section 501(c)(3) of the United States Internal Revenue Code, whose mission and practice is, in whole or in significant part, the rescue of animals and the placement of those animals in permanent homes, and which does not obtain animals from a breeder or broker for payment or compensation, and does not breed animals.

ANIMAL SHELTER: Any not-for-profit organization which has tax-exempt status under Section 501(c)(3) of the Internal Revenue Code, which (1) accepts animals into a physical facility; (2) is devoted to the rescue, care, and adoption of stray, abandoned, unwanted or surrendered animals; (3) places animals in permanent homes or with animal rescue organizations; and (4) does not breed animals.

CAT: A mammal that is wholly or in part of the species Felis domesticus.

<u>CERTIFICATE OF SOURCE:</u> A document from an animal control authority, animal rescue organization, or animal shelter which shall provide a brief description of the dog or cat, and shall list the name, address, and telephone number of the source (animal control authority, animal rescue organization, or animal shelter) of the dog or cat.

DOG: A mammal that is wholly or in part of the species Canis familiaris.

PET STORE: Any retail establishment, or operator thereof, which displays, sells, delivers, offers for sale, barters, auctions, gives away, or otherwise transfers companion animals in the City of Roseville. This definition does not apply to animal control authorities, animal shelters, or animal rescue organizations.

PET STORE OPERATOR: A person or business entity who owns or operates a pet store.

SECTION 3. Section 510.25 is renumbered as section 501.26, and section 501.25 is hereby amended as follows:

501.25 PET STORES

- A. <u>No pet store shall sell, deliver, offer for sale, barter, auction, give away, or otherwise transfer or dispose of cats or dogs.</u>
- B. Nothing in this section shall prohibit pet stores from collaborating with animal shelters, animal rescue organizations, and animal control authorities to offer space for such entities to showcase adoptable dogs and cats inside pet stores. Such animals shall not be younger than 8 weeks old.
- C. <u>A pet store shall post and maintain a Certificate of Source in a conspicuous place on or within three feet of each dog's or cat's kennel, cage, or enclosure.</u>
 - A Certificate of Source shall be provided to the purchaser or transferee of any dog or cat.
 - 2. <u>Certificate of Source records for each dog or cat shall be maintained by a pet store for at least one year from the last date that a dog or cat appeared in the store.</u>
 - 3. Pet stores shall make Certificates of Source immediately available for review upon the request of a peace officer or animal control authority, or a humane agent pursuant to Minnesota Statutes section 343.06.
 - 4. Falsification of a Certificate of Source shall be deemed a violation of this section.
- D. A violation of this section shall be a misdemeanor, and upon conviction thereof, shall be punished pursuant to Minn. Stat. 609.02, subd. 3, or as subsequently amended, plus costs of prosecution. Each day of violation shall constitute a separate offense.

<u>SECTION 4. Effective Date:</u> This amendment to the Roseville City Code shall take effect 90 days after passage and publication.

Roseville City Council Members

City Hall, 2660 Civic Center Drive

Roseville, MN 55113

To members of the Roseville City Council,

Thank you for your interest in examining the issue of pet stores and animal welfare in Roseville. Like many community members, our organizations and our members have long-standing concerns. We appreciate the opportunity to share our recommendations for an ordinance that addresses the systemic nature of the problem, and that also benefits business, protects animals, and is minimally burdensome for the city.

You are likely aware of an April 21, 2016, inspection report conducted by the United States Department of Agriculture of the Har Mar Pet Shop that revealed various animals inside the pet store suffering from a variety of distressing conditions as a result of inadequate care. For years, complaints have been filed by citizens against the Har Mar Pet Shop in regard to conditions for animals, and law enforcement and humane agents have made repeated visits to the store. Additionally, The Har Mar Pet Shop has purchased puppies from various dog breeders and brokers that have been cited for violations of the Animal Welfare Act including lack of veterinary care, lack of cleaning, sanitization, pest control, housekeeping, and broken, hazardous enclosures.

In light of this, we are supporting a pet store ordinance drafted specifically for the City of Roseville that prohibits pet stores from selling dogs and cats acquired from commercial breeding facilities while allowing the stores to host adoption events with animal shelters and rescues. Similar pet shop ordinances have been passed in 205 localities across the U.S., including Los Angeles, Chicago, and Boston, and we encourage you to adopt this ordinance.

This ordinance provides pet stores with the opportunity to transition to a humane business model consistent with Roseville community values. The model does not impose a costly burden to the city and is business-friendly, allowing pet stores to sell quality products and services and host pet adoption events at their store in conjunction with area shelters and rescues. These adoption events not only help decrease pet overpopulation and homelessness, they also encourage those who adopt to purchase the products and services they need from the pet store.

We hope you will consider passage of this ordinance in Roseville, and are available to answer questions and gather any more information that might be helpful. Please consider us a resource.

Thank you for your time and we look forward to being in touch.

Sincerely,

Chist Ch

RESEVILLE REQUEST FOR COUNCIL ACTION

City Manager Approval Department Approval

Para / Trugen

Item Description: Pet Store Regulation and Licensing Discussion

BACKGROUND

- Due to recent newspaper article regarding the condition of animals being sold at the Har Mar Pet Store
- (Attachment A), there has been interest in looking at ways the City can better regulate the sale of 3
- animals. There are currently four pet stores located in Roseville, PetSmart, PETCO, Chuck and Don's, 4
- and Har Mar Pet Store. The City does not currently regulate or license pet stores. 5
- While federal regulations do regulate breeders, it specifically exempts brick and mortar retail pet stores
- from regulation. The State of Minnesota does not require the licensing of pet stores. There are a couple
- of existing laws that do impact the operation of pet stores in Minnesota. One is consumer protection 8
- laws covering the purchases of animals in pet stores and the process of returning them for a refund. 9
- Another one is animal cruelty laws that apply to everyone, including pet stores. 10
- Based on the newspaper article regarding the Har Mar Pet Store, a representative of Minnesota Chapter 11
- of the Humane Society of America (HAS) met with the City Manager to provide information about the 12
- operation of pet stores and shared their thought on a possible pet store ordinance for Roseville, 13
- including an ordinance adopted by Eastpointe, Michigan. (Attachment B). The basic premise of HSA's 14
- ordinance is to prohibit the sale of animals unless the animals is sold on the property where the animal 15
- was bred and reared, or from a public or private animal shelter. Under the proposed ordinance, pet 16
- store may sell animals that come from an animal shelter or humane society. The Eastpointe ordinance 17
- allowed for the existing pet stores to continue the sale of animals for a short time before they had to 18
- comply with the new ordinance. A representative of the Humane Society of America will be in 19
- attendance at the meeting to share additional information and answer questions that the City Council 20
- may have. 21
- The City of St. Paul does require pet shop licenses. A pet shop is defined as a business kept or 22
- maintained for the care, exhibition for sale, sale, or purchase of live dogs, cats, rabbits, other small 23
- animals, any birds, reptiles, or fish. It does not include veterinary hospitals, or persons or places selling 24
- only frogs, fish, worms, or reptiles for use as live bait for fishing. This license includes pet grooming. 25
- St. Paul's pet shop license must be reviewed annually and requires inspections from the Fire 26

- Department, Environmental Health, and Zoning. The annual license fee is \$183.00. Included as
- 28 Attachment C is St. Paul's Pet Shop License ordinance.

29 POLICY OBJECTIVE

To determine whether pet stores should be regulated and/or licensed in the City of Roseville.

31 FINANCIAL IMPACTS

38

Cannot be determined at this time. City costs will depend on the action taken.

33 STAFF RECOMMENDATION

- 34 Staff suggests that the City Council reviews the information and discusses next steps that the City
- should take regarding the regulation and licensing of pet stores

36 REQUESTED COUNCIL ACTION

Sick dogs, hamsters missing eyes, and a decomposing hedgehog at Har Mar Pet

This cage shared by a handful of kittens is probably the most spacious accommodations at Har Mar Pet Store.

Puppy-dog eyes and customer-service smiles prettify

in Roseville on a weekday June evening. Among the dozens of furry residents for sale currently are \$249 kittens, \$60 rabbits, and \$1,400 Pomeranian pups.

The store belongs to Gerald Papineau.

But Papineau's high prices couldn't hide what a USDA official came upon recently. The Roseville animal retailer was a little pet shop of horrors about six weeks ago, according to

federal inspection

(https://acissearch.aphis.usda.gov/LPASearch/faces/CustomerSearch.jspx) paperwork.

On April 21 USDA Animal Care Inspector Kevin Wilken discovered various creatures inside the pet store suffering from a variety of distressing maladies. A reddish sore bulged from the eye of "Poppy," a four-month-old English bulldog. Staff knew about the dog's condition, Wilken wrote, "but had not contacted" the veterinarian.

Three dwarf hamsters fared worse. Two of the animals had an eye missing while "the third was missing both eyes," according to the report.

"None of them looked like they had been injured recently," noted Wilken, who added that the store had again failed to contact a vet.

Other creatures in rough shape were a gerbil "with what appeared to be a bloody discharge surrounding the eye" and a Bichon pup with a suspected respiratory condition.

In yet another enclosure, Wilken found "a deceased baby hedgehog" that had died two weeks prior still inside "with an adult hedgehog."

"It was apparent," the report reads, "that the deceased baby hedgehog had been sitting there for some time as the body had deteriorated and it was difficult to recognize it as a baby hedgehog."

Wilken and Dr. Debra Sime revisited the store in early May. Their one-page report noted "all previous" vet care issues had been "corrected."

Roseville Pet Store Ordinance

Roseville's PETCO, PetSmart, and Chuck and Don's are very successful pet stores that work with local rescue groups, hosting adoption events instead of purchasing and selling puppies from puppy mills. Har Mar Pet Shop is the only Roseville store selling commercially-bred puppies and kittens.

Recent media coverage (June 7, 2016, City Pages: *Sick dogs, hamsters missing eyes, and a decomposing hedgehog at Har Mar Pet*) reveals disturbing details:

- On April 21, USDA Animal Care Inspector Kevin Wilken discovered various animals inside the pet store suffering from a variety of distressing maladies. A red, sore, bulge from the eye of "Poppy," a four-month-old English bulldog.
- Three dwarf hamsters fared worse. Two of the animals had an eye missing while "the third was missing both eyes," according to the report.
- Other animals in very bad condition were a gerbil "with what appeared to be a bloody discharge surrounding the eye" and a Bichon pup with a suspected respiratory condition.
- In yet another enclosure, Wilken found "a deceased baby hedgehog" that had died two weeks prior still inside "with an adult hedgehog."

Certificates of Veterinary Inspection (CVIs) and United States Department of Agriculture (USDA) inspection records indicate Har Mar Pet Shop has purchased puppies in 2014-2015 from breeders in lowa that have multiple violations of the Animal Welfare Act, including: medical condition violations; violations for overdue vet site visits; primary enclosure violations; cleaning, sanitization, housekeeping and pest control violations; and no-access violations.

Puppies from these sources are out of step with Roseville community values.

It is impossible to know the exact source of all puppies and kittens shipped to Har Mar Pet Shop, as instate breeders are not required to file CVIs before they ship to stores in Minnesota and also because the Board of Animal Health has recently refused to allow previously public information (CVIs) to be released, interpreting the new Commercial Dog and Cat Breeder Regulation law's data privacy clause to mean that CVIs are private, not public, data, and therefore will not be shared.

An ordinance that prohibits the sale of commercially bred dogs and cats but continues to allow pet stores to co-host adoption events with shelters and rescues is responsible and business-friendly. This ordinance will not affect a consumer's ability to obtain the dog of his or her choice. There is a great community of shelters, rescues, and truly responsible breeders in the Twin Cities Metro area.

Roseville Pet Store Ordinance

What: A pet store ordinance in Roseville to prohibit the sale of dogs and cats acquired from commercial breeders. Pet shop ordinances have been passed in 166 localities across the US, including Los Angeles, Philadelphia, Chicago and Boston.

Why: Eliminating puppy and kitten mill puppies and kittens from our local market protects consumers and animals while encouraging the public to adopt homeless animals or seek out reputable breeders who take excellent care of their dogs and cats.

<u>Puppy mills</u>: A puppy mill is an inhumane commercial breeding facility that disregards the health and wellbeing of the animals to maintain a low overhead and increase profits. Pet stores source from both licensed and unlicensed pet breeders. They often claim that a United States Department of Agriculture (USDA)-licensed breeder is not a puppy mill, but this is false. USDA standards allow dogs to be kept in cramped, stacked, wire cages for their entire lives, often in extreme temperatures, denied basic veterinary care, and bred continuously. *USDA standards allow for immense cruelty*.

Puppy mills-pet store link: There is a well-documented and indisputable link between puppy mills and pet stores. Puppy mills thrive on pet store sales because pet stores allow puppy mill cruelty to remain hidden from the public. Humane Society of the United States (HSUS) investigations consistently revealthat pet stores mislead consumers by claiming they obtain puppies from small-scale humane breeders. In reality that option does not exist, because responsible breeders do not sell to pet stores. The HSUS reviewed Codes of Ethics for the National Breed Clubs recognized by the AKC and found that 96% of those National Clubs include statements that their breeders should not and/or do not sell to pet stores.

Sick and behaviorally challenged puppies: Not only are pet store consumers *unknowingly* supporting a very cruel industry, but they often end up dealing with the financial and emotional burden of having a sick or difficult pet. Pet store puppies are often sick because they are born into deplorable conditions, taken from their mothers very early, exposed to a wide range of diseases, and are susceptible to genetic disorders. In addition, a study from the Journal of Veterinary Medicine concluded that puppies should not be obtained from pet stores because dogs are more likely to exhibit many undesirable behavioral characteristics, including aggression and biting.

How: This ordinance is designed to require pet shops to switch to a humane model, not put them out of business. It is business-friendly, allowing pet stores to host pet adoption events at their store in conjunction with area shelters and rescues and sell quality products and services (grooming, training, vet care, boarding, etc.). Adoption events not only help decrease pet overpopulation and homelessness, they encourage those who adopt to use the products and services offered at the store. Pet stores that convert to such a model have proven success as well as a better reputation in the community. For instance, PetSmart and PetCo both host adoption events at their store and they are the two most successful pet store chains in the country. Of the top 25 retailers in the nation, only one sells puppies; the other chains sell products and offer quality services.

(Code 1956, § 325.02; C.F. No. 94-410, § 1, 4-27-94; C.F. No. 98-1118, § 1, 1-13-99)

Sec. 347.02. - Definitions.

Pet shop means and includes every place kept or maintained for the care, exhibition for sale, sale or purchase of live dogs, cats, rabbits or other small animals, or any birds, reptiles or fish, but shall not include veterinary hospitals or persons or places selling only frogs, fish, worms or reptiles for use as live bait for fishing. Pet shop licensees shall be exempt from obtaining a dog and cat grooming license pursuant to <u>Chapter 382</u> of the Legislative Code. In addition, such dog and cat grooming facilities shall be exempt from obtaining a pet shop license.

Pet shop facility means any facility engaged in the operation of pet shops.

Animal facility includes every place which is engaged in the operation of a pet shop but not a retail pet shop or veterinary hospital.

(Code 1956, §§ 325.01, 325.08; C.F. No. 94-410, § 2, 4-27-94; C.F. No. 98-1118, § 1, 1-13-99; C.F. No. 99-230, § 1, 4-14-99)

Sec. 347.03. - Fee.

The fee required for each license shall be established by ordinance as specified in <u>section</u> 310.09(b) of the Legislative Code.

(Code 1956, § 325.04; C.F. No. 94-410, § 3, 4-27-94; C.F. No. 98-1118, § 1, 1-13-99)

Sec. 347.04. - Application.

Attachment D

Application. Every applicant for a pet shop license shall file an application with the department of safety and inspections. The application shall be on a form prescribed by the department of safety and inspections containing such information as the director of such department may require including, but not limited to, the applicant's name, address and telephone number and the name, address and telephone number of the pet shop. Each pet shop facility shall be separately licensed. An applicant may also elect to apply for permission to act as a deputy dog license vendor as part of its license and as such is entitled to retain one hundred (100) percent of the license fee for each animal initially licensed.

(Code 1956, § 325.05; C.F. No. 94-410, § 4, 4-27-94; C.F. No. 98-1118, § 1, 1-13-99; C.F. No. 07-149, § 94, 3-28-07)

Sec. 347.05. - Regulations.

- (a) *Premises.* Every person keeping or maintaining a pet shop shall do so entirely within a closed building, shall not keep or maintain any outside kennel service, and shall be subject to and shall comply with all of the rules and regulations of the department of safety and inspections.
- (b) *Exotic animals.* No pet shop shall maintain, keep or harbor any skunk, whether captured in the wild or raised domestically, descented or not descented, vaccinated against rabies or not vaccinated against rabies. No pet shop shall maintain, keep, harbor or sell any red-eared turtle (Pseudemys scriptaelegans) with a shell length of less than four (4) inches.
- (c) *Permit required.* Every licensee shall affix in a prominent position to the exterior of the cage, pen, enclosure, or tank housing of any animal requiring a permit to keep within the city, a tag or notice with the words "Saint Paul permit required."
- (d) *Rules and regulations.* The director of the department of safety and inspections may upon notice and hearing promulgate such rules as he or she deems necessary to carry out the provisions and purposes of this chapter, to provide for the proper care of animals and to provide for the cleanliness and proper sanitation in such facilities. Notice of the promulgation of such rules and the hearing date shall be given to all licensees, and notice of the hearing date published once in the legal newspaper. The notice shall advise that at the hearing written or oral comments on proposed rules will be received, and how a copy of the proposed rules can be obtained. Such rules shall be effective after such hearing when filed in the office of the city clerk. Violations of such rules shall be sufficient grounds for adverse action against licenses issued under this chapter.

(e)

Attachment D

- *Records.* Every licensee shall keep a book in which shall clearly be entered, in ink, at the time of each purchase or sale, an accurate account in the English language of any such live animal so purchased or sold, including the name and address of the person by or to whom such purchase or sale is made.
- (f) *Reporting.* Every licensee shall inform the person by or to whom such purchase or sale is made for any animal requiring a permit in order to keep it within the city of the guidelines for obtaining a keeping-of-animal permit.

Item Description: City Facility Needs Discussion

BACKGROUND

As a result of a discussion about long-term facility options for the Roseville License Center at the November 14th City Council meeting, the City Council directed staff to bring back additional

information about other city facility needs. As mentioned at the November meeting the land area and building size of the maintenance facility is smaller than is needed thus leading to inefficient operations and the need to have off-site storage for equipment and materials from the Public Works and Parks and

Recreation Departments.

Specifically, the License Center needs about 6,000 square feet and staff recommends adding another 6,000 square feet for city office needs. The maintenance facility currently has approximately 57,000 square feet of building space located on approximately three and a half acres. Ideally, for the City's operations we would have 93,000 sq. ft. on about 6 acres. To deal with the lack of space, we currently use about 3,300 square feet at the Fairview Fire Station for storage and the City leases an additional 5,000 square feet for storage in the western part of Roseville.

As has been previously identified, it is advantageous for the License Center and other office space to be located near the City Hall Campus. As part of this analysis, staff has looked at properties nearby the campus and have estimated costs for acquisition and development of those sites. Appraisals have been ordered for two properties, but they will not be completed for a couple of more weeks. Therefore, the costs listed for acquisition are based off the current assessed value plus a premium factored in given the nature of the acquisition. Staff has also looked at the possibility of repurposing the existing maintenance facility for the license center.

Below is an analysis of the different options regarding the relocations of the Roseville License Center for consideration and discussion. Both Options A and B take a similar approach of purchasing a property (known as property #1 and property #2, respectively), tearing down the existing building, and developing the site with a new building to house the License Center and other city office uses. Option C would repurpose the existing Maintenance Facility for the License Center and other City office needs and relocate the Maintenance Facility to a different site in Roseville. With this option, the City would be able to consolidate the existing off-site storage into the new Maintenance Facility. Option D would utilize land in Veterans Park for new License Center Facility. Under Options A, B, and D, the City would still need to have off-site storage given the inadequacy of the existing Maintenance Facility.

Assuming the City Council would still want to consolidate the off-site storage into one facility, we have estimated the costs for this structure for Options 1, 2, and 4.

In the analysis, staff presents some potential funding methods for the different options. These funding methods include using existing cash balances and a License Center revenue bond. However, in each option there still is a large gap that would need to be covered by additional bonding or other funds and fees. At this time, staff has not factored in the sale of the Fairview Fire Station as it is unknown how much the City would be able to get for it, but that projected revenue can be factored in at a later date.

In regards to extending the lease for the License Center at its current location, staff is in discussion with the property owner for a short-term lease and expect to bring the proposed lease to the City Council in the beginning of 2017.

POLICY OBJECTIVE

48 To determine City building facility needs

49 FINANCIAL IMPACTS

50 Costs for each of the options are listed in the chart above.

STAFF RECOMMENDATION

Staff suggests that the City Council review the information and discusses next steps that the City should take regarding the license center and other facility needs.

REQUESTED COUNCIL ACTION

Provide direction on next steps that the City should take regarding the license center and other facility needs.
