Item Description: Consider Application for Repurchase of 1319 Larpenteur Avenue (dba “Al’s Billiards”)

BACKGROUND

On September 20, the property located at 1319 Larpenteur Avenue W., also known as Al’s Billiards, was forfeited to Ramsey County for failure to pay property taxes. The property owner has applied to repurchase the property back from Ramsey County. Ramsey County’s process for the repurchasing of tax-forfeited properties is to have the municipality review the request and document whether the property has excessive police calls, building and health code violations, or illegal activities within the past five years. The County has asked that the City make a recommendation via Resolution whether the County Board should approve or deny the repurchase application.

City staff has reviewed the code enforcement files and police calls and have found several property code violations that were addressed in a timely manner. There were also calls for police service identified but nothing to a degree that staff, or the Police Department, deemed excessive.

Community Development staff sent a letter to residents within 500’ of the property informing them of the status, and the repurchase request made by the property owner. Two resident emails were received and are included in the packet as Attachment C.

BUDGET IMPLICATIONS

As part of the repurchase process, the City will receive payment for the back taxes that have not been paid to date.

STAFF RECOMMENDATION

Staff recommends adopting a Resolution recommending approval of the repurchase application to the Ramsey County Board for the property at 1319 Larpenteur Avenue W.

REQUESTED COUNCIL ACTION

Re: Repurchase application relating to a tax-forfeited property at 1319 Larpenteur Avenue W.

Dear Pat Trudgeon:

Enclosed please find a repurchase application received from Alvah J. Welsh, the owner at the time of forfeiture, for the property located at 1319 Larpenteur Avenue W., currently known as Al's Billiards. The property forfeited to the State of Minnesota on August 2, 2016 and is a non-operating commercial building. The applicant has explained the circumstances that led to the forfeiture on the attached application. The amount of delinquent taxes owed on the property at the time of forfeiture was \$91,109.77.

County Board policy, No. 99-507, adopted on December 21, 1999, allows for "each repurchase application to be referred to the municipality in which the property is located. The municipality will document whether the property is considered a municipal problem based on documented police, building code, illegal activity, or health violations within the past five years. The municipality, by resolution, shall recommend that the County Board approve or deny the repurchase application and return the repurchase application to Ramsey County along with the resolution and documentation of any violations."

The following documents are enclosed to assist you:

- Copy of Application to Repurchase after Forfeiture
- Map of the parcel

Please send a certified copy of the city council resolution and all relevant documents to the Tax Forfeited Land office for final processing. If you have any questions regarding the enclosed documents or require further information, please do not hesitate to contact me at (651) 266-2081.

This building was built in 1979 for a billiard room business that started in 1963. I bought the business, as the third owner since 1963, on 6/1/89. I purchased the building on a contract for deed in 1994. I paid it off in 2014. Business was very good in the nineties. But in the mid 2000's, with the economic downturn and increased popularity of the internet, poker, Netflix etc., the billiard business was affected. The smoking ban further cut business by 35%. Being a single dad with two minor teens (still have one that is 17 yrs.), it was important for me to provide for them, and the business further suffered. I admittedly made poor decisions letting the property tax get behind. Of course accrued penalties and interest got away from me. As my kids are older, I am now able to better focus more on the business. I do have plans to rather re-invent things and build the business back up. This is the only billiard room East of Minneapolis. We are not licensed for alcohol, therefore we have many AA customers. As this business (along with my social security) is our only means of income, I hope to be able to repurchase.

In regards to al billiards at 1319 larpenteur.

I have only lived in roseville for 8 yrs, but ever since ive moved here, ive noticed this eye sore of a property. I wash my car reg. and this place is un maintained. For the longest time i thought illegal drug activity was going on there. There was numerous times i smelt marijuana while vaccuming at first stall of car wash. Always at that time someone would be sitting on lawn chairs on side of building.

This building could actually be a nice property with the right owner. Noone mows or uses weedeater all yr. Not sure how the law works on this subject but i would like to see the city let another couple of buisnesses take over and let the property bring in the property and sales tax the city and people deserve.

Thanks for your time

Hi my name is Thomas Huelster. living at Rosevista Apartments, I am kitty corner from that address by about half a block. Am sorry to hear the property has gone into forfeiture. As far as I know, there has been little or no trouble there and I believe he has been a good neighbor. Times have been tough for this kind of business. If my memory serves me, he used to have a downtown location across from where Minnesota Public Radio is now. Why he lost that property and moved out here, I don't know, politics, taxes, who knows. I think giving him a second chance would be helpful and desirable. Conditions to be applied would be catching up on back taxes and ability to show taxes can be paid on time in the future. If there is any way to show leniency here, it would be welcome. Thank you for your time and patience.
Sincerely Thomas Huelster

1 **BACKGROUND**

2 The Community Development Department seeks approval of amendments to Section 901.01 of
3 current City Code, which would include adoption of Chapter 1306, Subp.2 of the Minnesota
4 State Building Code, as well as, minor text changes to Section 901.11.

5
6 Staff is proposing text amendments to Roseville’s City Code, Chapter 901 Building Code. The
7 requested text amendments are located in Section 901.01: Adoption of Code and 901.11: Deposit
8 for Protection of Concrete Curbs, to Ensure Cleaning of Streets and to Ensure Compliance with
9 Building Code.

10
11 Chapter 1306, Special Fire Protection Systems, is an optional code section that each municipality
12 may adopt. Chapter 1306 authorizes optional provisions for the installation of on-premises fire
13 suppression systems. Per Chapter 1306, if the City adopts the chapter, the chapter must be
14 adopted with the selection of either subpart 2 or 3, without amendment. The complete text of
15 Chapter 1306 is attached to this RCA.

16
17 **PURPOSE**

18 The proposed adoption of this optional chapter comes as a joint request between the Roseville
19 Fire Department and the Community Development Department. The adoption and
20 implementation of the State Building Code falls under the responsibility of Community
21 Development, however this optional section will greatly benefit the Fire Department and the City
22 of Roseville. The potential increase in fire protection and safety to the occupants, visitors,
23 owners and first responders is the greatest benefit. Also, the protection of property, that this code
24 provision allows, can be extremely beneficial to property owners, as well. Attachment D details
25 the status of adoption of 1306 in 50 nearby municipalities to Roseville. Out of the 50
26 municipalities surveyed, 36 have adopted either Subpart 2 or 3. Attachment E provides several
27 examples of when and where this optional chapter might be utilized.

This chapter, if adopted, must be adopted without amendment.

1306.0020 MUNICIPAL OPTION.

Subpart 1. **Requirement.** The sprinkler system requirements of this chapter, if adopted, must be adopted with the selection of either subpart 2 or 3, without amendment.

Subp. 2. **Existing and new buildings.** Automatic sprinkler systems for new buildings, buildings increased in total floor area (including the existing building), or buildings in which the occupancy classification has changed, must be installed and maintained in operational condition within the structure. The requirements of this subpart apply to structures that fall within the occupancy classifications established in part 1306.0030, items A to D.

Exception: The floor area of minor additions that do not increase the occupant load does not have to be figured into the square footage for occupancy classifications established in part 1306.0030, items A to D.

Subp. 3. **New buildings.** Automatic sprinkler systems for new buildings, additions to existing buildings, or buildings in which the occupancy classification has changed must be installed and maintained in operational condition within the structure. The requirements of this subpart apply to structures that fall within the occupancy classifications established in part 1306.0030, items A to D.

Exception: The floor area of minor additions that do not increase the occupant load does not have to be figured into the square footage for occupancy classifications established in part 1306.0030, items A to D.

1306.0030 REQUIREMENTS.

For purposes of this chapter, area separation, fire barriers, or fire walls do not establish separate buildings. Gross square footage (gsf) means the floor area as defined in the International Building Code. The floor area requirements established in items A to D are based on the gross square footage of the entire building and establish thresholds for these requirements. The following occupancy groups must comply with sprinkler requirements of this chapter, unless specified otherwise:

A. Group A-1, A-2, A-3, and A-4 occupancies;

Exception: air inflated structures, and open picnic shelters.

B. Group B, F, M, and S occupancies with 2,000 or more gross square feet of floor area or with three or more stories in height;

Exception: S-2 open parking garages, aircraft hangars, salt storage sheds, and group "M" detached canopies.

C. Group E occupancies with 2,000 or more gross square feet of floor area or with two or more stories in height;

D. Group E day care occupancies with an occupant load of 30 or more.

1306.0040 STANDARD.

Automatic sprinkler systems must comply with the applicable standard referenced in the State Building Code. If a public water supply is not available, the building official and fire chief shall approve the use of an alternate on-site source of water if the alternate source provides protection that is comparable to that provided by a public water supply. If an adequate alternate water supply sufficient for hose stream requirements is provided or available, the building official and fire chief may permit the water supply requirements for the hose stream demands to be modified.

1306.0050 SUBSTITUTE CONSTRUCTION.

The installation of an automatic sprinkler system, as required by this chapter, would still allow the substitution of one-hour fire-resistive construction as permitted by the International Building Code, Table 601, footnote d.

Statutory Authority: *MS s 16B.59; 16B.61; 16B.64; 326B.101; 326B.106; 326B.13*

1306.0060 EXEMPTION.

The building official, with the concurrence of the fire official, may waive the requirements of this chapter if the application of water has been demonstrated to constitute a serious life, fire, or environmental hazard, or if the building does not have an adequate water supply and the building is surrounded by public ways or yards more than 60 feet wide on all sides.

1306.0070 REPORTING.

- A. a signed electronic, faxed, or paper copy of the ordinance has been received by the division;

Item Description: Receive Update on Rice St./Larpenteur Ave. Multi-Jurisdictional Visioning Plan

1 **BACKGROUND**

2 On July 27, 2016, the cities of Roseville, St. Paul, and Maplewood partnered with Ramsey County to
3 host a dialogue with the community on how to revitalize and re-envision the Rice St. /Larpenteur
4 Ave. corridor. The St. Paul Area Chamber of Commerce (SPACC) facilitated the discussion and
5 consolidated community feedback. The July discussion was well attended and solidified the desire
6 for visioning along the corridor.

7
8 Elected officials, along with staff representatives from each municipality, met with Ramsey County
9 over the last year to discuss ways the cities might collaborate on revitalizing, reinvesting, and
10 rejuvenating a corridor in need of attention and intervention. The planning group developed a
11 Request for Proposal (RFP) to solicit consulting services and on March 13 the City Council hired
12 Perkins+Will to lead the visioning efforts. Lead Consultant, John Slack, is prepared to brief the City
13 Council on efforts thus far, and to provide a tentative timeline for the project.

14
15 **POLICY OBJECTIVE**

16 The Roseville City Council adopted a Policy Priority Plan that included a focus on Southeast
17 Roseville.

18 **BUDGET IMPLICATIONS**

19 No budget implications at this time.

Page 1 of 2

An exempt permit may be issued to a nonprofit organization that:

- conducts lawful gambling on five or fewer days, and
- awards less than \$50,000 in prizes during a calendar year.

If total raffle prize value for the calendar year will be \$1,500 or less, contact the Licensing Specialist assigned to your county by calling 651-539-1900.

Applications are processed in the order received. If the application is postmarked or received 30 days or more before the event, the application fee is **\$100**; otherwise the fee is **\$150**.

Ms. Deirdre Halloran
Associate General Counsel
1312 Massachusetts Avenue, N.W.
Washington, D.C. 20005

Dear Ms. Halloran:

In a ruling dated March 25, 1946, we held that the agencies and instrumentalities and all educational, charitable and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in the Official Catholic Directory for 1946, are entitled to exemption from Federal income tax under the provisions of section 101(6) of the Internal Revenue Code of 1939, which corresponds to section 501(c)(3) of the 1954 Code. This ruling has been updated annually to cover the activities added to or deleted from the Directory.

The Official Catholic Directory for 1988 shows the names and addresses of all agencies and instrumentalities and all educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories and possessions in existence at the time the Directory was published. It is understood that each of these is a nonprofit organization, that no part of the net earnings thereof inures to the benefit of any individual, that no substantial part of their activities is for promotion of legislation, and that none are private foundations under section 509(a) of the Code.

Based on all information submitted, we conclude that the agencies and instrumentalities and educational, charitable, and religious institutions operated, supervised or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in the Official Catholic Directory for 1988 are exempt from Federal income tax under section 501(c)(3) of the Code.

Donors may deduct contributions to the agencies, instrumentalities and institutions referred to above, as provided by section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for Federal estate and gift tax purposes under sections 2055, 2106, and 2522 of the Code.

United States Catholic Conference

Beginning January 1, 1984, unless specifically excepted, you and your subordinates must pay taxes under the Federal Insurance Contributions Act (Social Security taxes) for each employee who is paid \$100 or more in a calendar year. You and your subordinates are not liable for tax under the Federal Unemployment Tax Act (FUTA).

Next year, within 90 days before the close of your annual accounting period, or by May 31, the date established by our letter of April 28, 1975, which gave an extension of time to file the information, please send one copy of the Official Catholic Directory of 1989 for each Internal Revenue District in which one or more of your subordinates are located, with four additional copies to this office.

The conditions concerning the retention of your group exemption as set forth in our previous determination letter of August 17, 1983 remain in full force and effect.

Your request for mailing instructions for the district offices were previously provided in our letter of July 15, 1988.

Sincerely yours,

Phil Brand

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: March 27, 2017
 Item No.: 9.d

Department Approval

City Manager Approval

Item Description: Approve Entering Into an Agreement for the Transportation Plan Update

BACKGROUND

On January 30, 2017, the City Council approved a Transportation Plan Update Request for Proposal (RFP). The Transportation Plan is one of the aspects of the overall Comprehensive Plan that is required to be updated. The RFP also included an update of the Pathway Master Plan as this work is closely related to the Transportation Plan.

Staff submitted a Request for Proposal to three qualified firms with experience in Transportation Plans and who are familiar with Roseville’s Transportation needs. Those firms were SRF Consulting Group, WSB & Associates and Kimley-Horn.

Staff received proposals from all three firms and reviewed them based on price, experience, proposed schedule and any value added components within the individual proposals.

Consultant	Fee Proposal	Project Scope & Understanding	Background & Qualification	Value Added	Past Performance Survey	Total
SRF Consulting Group	19	24	18	6.7	10	77.7
Kimley-Horn	25	25	16.7	9	10	85.7
WSB & Associates	24	25	18	9.3	10	86.3

Based on this review, staff is recommending hiring WSB & Associates at a proposed cost of \$44,000-45,000 depending on the final task items selected in the contract.

WSB & Associates has significant experience in transportation plans and pathway plans. WSB & Associates performed the City’s last Transportation Plan update and is currently working on the Comprehensive Plan Update. Since they would be working on both aspects of the overall Comprehensive Plan Update there should be some better opportunities to coordinate public engagement meetings and the overall plan update more seamlessly.

The City would use our Standard Agreement for Professional Services, subject to minor revisions with approval of the City Attorney, to enter into an agreement with WSB & Associates.

FINANCIAL IMPACTS

The total proposed cost of the proposal by WSB & Associates is approximately \$45,000. The base cost of the proposal is \$29,831 with approximately \$15,000 in alternates. The majority of the

25 alternate costs are related to incorporating Transportation Plan and Pathway Master Plan updates
26 into the Compressive Plan meetings, focus groups and web survey as well as developing a ranking
27 and prioritization methodology for the Pathway Master Plan update.

28 Currently there is \$30,000 budgeted for the Transportation Plan Update. With the additional scope
29 of adding the pathway Master Plan Update to this project, the overall costs are approximately
30 \$45,000. Staff proposes using funds from the Engineering Services Fund and Public Work
31 Administration Professional Services budget to cover the \$15,000 difference.

32 **STAFF RECOMMENDATION**

33 Staff recommends the Council approve entering into a Professional Services Agreement with WSB
34 & Associates for the Transportation Plan Update and Pathway Master Plan Update.

35 **REQUESTED COUNCIL ACTION**

36 Motion to approve entering into a Professional Services Agreement with WSB & Associates for
37 the Transportation Plan Update and Pathway Master Plan Update.

Upon termination the Consultant shall be paid for services rendered (and reimbursable expenses incurred if required to be paid by the City under this Agreement) by the Consultant through and until the date of termination so long as the Consultant is not in default under this Agreement. If the City terminates this Agreement because the Consultant is in default of its obligations under this Agreement, no further payment shall be payable or due to the Consultant following the delivery of the termination notice, and the City may, in addition to any other rights or remedies it may have at law or in equity, retain another consultant to undertake or complete the Work to be performed hereunder.

The Consultant shall post in places available to employees and applicants for employment, notices setting forth the provision of this non-discrimination clause and stating that all qualified applicants will receive consideration for employment. The Consultant shall incorporate the foregoing requirements of this Provision 12 in all of its subcontracts for Work done under this Agreement, and will require all of its subcontractors performing such Work to incorporate such requirements in all subcontracts for the performance of the Work. The Consultant further agrees to comply with all aspects of the Minnesota Human Rights Act, Minnesota Statutes 363.01, et. seq., Title VI of the Civil Rights Act of 1964, and the Americans with Disabilities Act.

The Consultant and City, together with their respective agents and employees, agree to abide by the provisions of the Minnesota Data Practices Act, Minnesota Statutes Section 13, as amended, and Minnesota Rules promulgated pursuant to Chapter 13. Any violation by the Consultant of statutes, ordinances, rules and regulations pertaining to the Work to be performed shall constitute a material breach of this Agreement and entitle the City to immediately terminate this Agreement.
16. **Waiver.** Any waiver by either party of a breach of any provisions of this Agreement shall not affect, in any respect, the validity of the remainder of this Agreement or either parties ability to enforce a subsequent breach.

17. **Indemnification.** To the fullest extent permitted by law, the Consultant agrees to defend, indemnify and hold the City, and its mayor, council members, officers, agents, employees and representatives harmless from and against all liability, claims, damages, costs, judgments, losses and expenses, including but not limited to reasonable attorney's fees, arising out of or resulting from any act or omission of the Consultant, its officers, agents, employees, contractors and/or subcontractors pertaining to the execution, performance or failure to adequately perform the Work and/or its obligations under this Agreement.

18. **Insurance.**

A. **General Liability.** Prior to starting the Work and during the full term of this Agreement, the Consultant shall procure, maintain and pay for such insurance as will protect against claims for bodily injury or death, and for damage to property, including loss of use, which may arise out of operations by the Consultant or by any subcontractor of the Consultant, or by anyone employed by any of them, or by anyone for whose acts any of them may be liable. Such insurance shall include, but not be limited to, minimum coverages and limits of liability specified in this Provision 18 or such greater coverages and amounts as are required by law. Except as otherwise stated below, the policies shall name the City as an additional insured for the Work provided under this Agreement and shall provide that the Consultant's coverage shall be primary and noncontributory in the event of a loss.

B. The Consultant shall procure and maintain the following minimum insurance coverages and limits of liability with respect to the Work:

- (ii) Broad Form Contractual Liability coverage; and
- (iii) Broad Form Property Damage coverage, including Completed Operations.

D. During the entire term of this Agreement, and for such period of time thereafter as is necessary to provide coverage until all relevant statutes of limitations pertaining to the Work have expired, the Consultant shall procure, maintain and pay for professional liability insurance, satisfactory to the City, which insures the payment of damages for liability arising out of the performance of professional services for the City, in the insured's capacity as the Consultant, if such liability is caused by an error, omission, or negligent act of the insured or any person or organization for whom the insured is liable. Said policy shall provide an aggregate limit of at least \$2,000,000.00.

E. The Consultant shall maintain in effect all insurance coverages required under this Provision 18 at Consultant's sole expense and with insurance companies licensed to do business in the state in Minnesota and having a current A.M. A copy of: (i) a certification of insurance satisfactory to the City, and (ii) if requested, the Consultant's insurance declaration page, riders and/or endorsements, as applicable, which evidences the compliance with this Paragraph 18, must be filed with the City prior to the start of Consultant's Work. Such documents evidencing insurance shall be in a form acceptable to the City and shall provide satisfactory evidence that the Consultant has complied with all insurance requirements. Renewal certificates shall be provided to the City prior to the expiration date of any of the required policies. The City will not be obligated, however, to review such declaration page, riders, endorsements or certificates or other evidence of insurance, or to advise Consultant of any deficiencies in such documents, and receipt thereof shall not relieve the Consultant from, nor be deemed a waiver of, the City's right to enforce the terms of the Consultant's obligations hereunder. The City reserves the right to examine any policy provided for under this Provision 18.

19. **Ownership of Documents.** All plans, diagrams, analysis, reports and information generated in connection with the performance of this Agreement ("Information") shall become the property of the City, but the Consultant may retain copies of such documents as records of the services provided. The City may use the Information for any reasons it deems appropriate without being liable to the Consultant for such use. The Consultant shall not use or disclose the Information for purposes other than performing the Work contemplated by this Agreement without the prior consent of the City.

20. **Annual Review.** Prior to January 1 of each year of this Agreement, the City shall have the right to conduct a review of the performance of the Work performed by the Consultant under this Agreement. The Consultant agrees to cooperate in such review and to provide such information as the City may reasonably request. Following each performance review the parties shall, if requested by the City, meet and discuss the performance of the Consultant relative to the remaining Work to be performed by the Consultant under this Agreement.

21. **Conflicts.** No salaried officer or employee of the City and no member of the City Council of the City shall have a financial interest, direct or indirect, in this Agreement. The violation of this provision shall render this Agreement void.

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: March 27, 2017
Item No.: 9.g

Department Approval

City Manager Approval

Item Description: Approval of a resolution authorizing the revocation and designation of Municipal State Aid roads

1 **BACKGROUND**

2 The City of Roseville is part of the State’s Municipal State Aid Street system. As part of being a
3 Municipal State Aid (MSA) city, each city can designate up to 20% of its roadway mileage to the
4 MSA system. Each year, the City of Roseville has an opportunity to re-designate which roads
5 are MSA roads and which are local roads. In order to be an MSA road, the following criteria
6 must be met:

- 7 • Projected to carry a relatively heavier traffic volume or are functionally classified as
8 collector or arterial streets.
- 9 • Connect the points of major traffic interest within an urbanized municipality;
- 10 • Provide an integrated street system.
- 11 • Connect roadways which are MSAS streets, County State Aid Highways or Trunk
12 Highways.

13 After evaluating the City’s road system, staff recommended to the Minnesota Department of
14 Transportation (MnDot) the following changes to be made to the MSA system (Attachment C);

- 15 ○ Designation – MSAS 262 Centre Pointe Drive – Cleveland Avenue to Cleveland
16 Avenue (0.59 existing miles)

17 MnDOT has confirmed the new MSA designations meet MSA standards.

18 **FINANCIAL IMPACTS**

19 There are no direct budget impacts. However, the system revisions should increase the MSA
20 needs for the City which should increase the MSA allocation to the City in future years.

21 **STAFF RECOMMENDATION**

22 Staff recommends Council adopt the attached resolution designating additions to the municipal
23 state aid street system.

24 **REQUESTED COUNCIL ACTION**

25 Approval of a resolution authorizing the revocation and designation of Municipal State Aid
26 roads.
